Nunc Dimittis

"Lord now lettest thou thy servant depart in peace For mine eyes have seen thy salvation."
Luke 2:29-32

With fresh news of great triumph late from Henley still ringing in my ears, I realize how richly ironic this year's theme really is. It was James Weldon, head prefect and key member of the Canadian (and "world") champion varsity eight, who first suggested that old complaint of the over-burdened, "We're only human". I am sure that James with his sense of satire and irony appreciates how funny it sounds in view of all of the accomplishments this year has brought to the students and staff of the school.

A friend of mine, also a teacher, told me that he has three rules for his students on field trips: Number One - "No whining", Number Two - "No crybabies", Number Three - "Don't forget rules One and Two." He would probably treat with disdain the idea that we are only human. In this regard he would be supported by our headmaster, who many of the staff feel "exacts day labour light denied." Still,

unless great demands are made, great deeds cannot be accomplished. Therefore, I choose to interpret the theme, not as a whining sentiment that we are "just" or "merely" human, but as a tribute that suggests we are "solely" or "singly" human, capable of exceptional things.

The pages of this yearbook will, I hope, record the many wonderful achievements of our remarkable group of students in 1995-96. The victories and defeats, the successes and failures will be reviewed by the headmaster, the coaches, the captains and other school leaders. My job and that of the Yearbook Club was to try to capture the spirit of the year. In this regard we recognized an amazing sense of humanity in the school. Staff and students alike cared deeply and passionately about what they were doing. There was little apathy, largely because the grad class this year was all about getting things done. At times they said "it is

too much, we're tired, we're only human", but they always persevered. The grade twelves set the tone of the school and the rest of us were swept along on that wave. It has been a great ride!

I am deeply indebted to all of those who have contributed to the annual. Few in the school have not offered something or become part of the yearbook in some way. However, I must single out the yearbook staff (Andrea Avolio, Graham Lang, Noah Masters, Amber Palmer, Jose Lourenco and Jonathan Coleman) for their dedication in sticking with the task throughout the year. The photography credits will be included elsewhere but thanks go to Pim Richters, Gerry Pennells and Joanna Recalma who took so many of the splendid photographs featured in the book. Once again I owe so much to Catherine Kinkead who arrived, like the cavalry, in the summer to rescue me by providing the typing and

pagemaking services so necessary in the production of camera-ready annual. Thanks also to Stephen Stamp who took time from rowing commitments to produce so much needed copy in the third term. Finally, I am grateful to Beth Melhuish whose support and advice have helped guide the Yearbook Club through the year. I wish her all the best as she undertakes this richly rewarding but tremendous challenging task next year.

Having completed a first year stint as Staff Advisor I am stepping down from the job.

*"And therewithal came on him the weird rhyme,
From the great deep to the great deep he goes."*

Tennyson

I have enjoyed the work and I am proud of what we have accomplished. There is a great sense of achievement in completing a publication and always a few regrets, but after all "we're only human" SMC

AWARDS DAY 1996 ADDRESS BY MRS. LYNN EYTON, BOARD CHAIRMAN

Mr. Headmaster, honoured guests, staff, students, ladies and gentlemen, boys and girls. I am extremely proud to be Chairman of the Board of Brentwood. Few schools offer the wealth of courses in academics, fine arts and sports as well as the complete residential experience for boarders. The inclusion of so many fine day students completes the total Brentwood experience.

This great school exudes excellence. Our academic and support staff exemplify a continuous pursuit of every student's full potential. On behalf of the Board, I would ask you to join us in thanking the staff, their spouses and their families for their unfailing devotion and contributions.

While today is rightly our time to honour our graduates, I would like to take a moment to share with you an important part of your Board's focus. Education is a dynamic and ever-changing challenge. Staying on top requires keeping the best of what we have, while always looking to improve our ability to deliver Brentwood's unique curriculum.

Maintaining the status quo has never been the way of Brentwood. Since 1982, the campus has undergone continual im-

provement and expansion of facilities. As I stand here I can not help but marvel at what has been accomplished.

To my right is our wonderful sports centre, an area central to so many of our athletic achievements. I note also the extensive renovations to the residences over the last number of years, and of course, our recent major development, the academic and administration block.

Each of these accomplishments reflects a commitment to the superior education and formation that Brentwood provides. This commitment is perhaps best stated in the words of the commemoration plaque before me which begins, "An expression of support for young people..."

The commitment of parents, staff, board and countless others is indeed an expression of support for our students, present and future. This commitment is an on-going process and to that end, the Board and administration are currently looking ahead to the needs of future students.

For instance, we are reviewing the adequacy of the old classroom block, (originally built as a dormitory in 1965), the dining hall, built at a time of 320 stu-

dents versus our present day 400, and the Fine Arts facilities, which are not of the same high standard as our more recent athletic and academic developments.

Additional areas in need of future upgrade include our Health Centre, swimming pool and Rogers House. Furthermore, we know that there are components of the campus that have yet to be put in place. This list would include a student activity centre, spiritual area and covered tennis courts, to name a few.

As you can see, we have tremendous opportunities before us. I am pleased to report that the Board has recently committed to a comprehensive program of campus improvement over the next several years.

A final implementation plan, together with a corresponding fund-raising campaign and construction time line will be finalized over the coming months.

Our Board is committed to seeking out the views of all of our stakeholders in further developing the Brentwood vision, improving our curriculum and adding needed facilities. We look forward to involvement from all of you - our students, staff, parents and alumni - as we move for-

ward with shaping the future of Brentwood.

These are exciting times for our school. Strength, stability and visionary leadership are essential. Fortunately for us, we have the experience of our headmaster, Bill Ross.

With Bill's leadership and focus on campus development over the coming years - and with the support and strength of his wonderful wife Marian - we are well positioned to take this great college into the next century.

While we look to an even brighter future for an already superior Brentwood College, we are here today to celebrate our graduating class of 1996.

Mrs. Lynn Eyton, newly appointed Chairman of the Board of Governors

AWARDS DAY ADDRESS:

W.T. Ross, Headmaster

I am always inspired by the wisdom and dedication of each of our Governors. Individual commitment, however, does not automatically translate into corporate wisdom. It can be argued that corporate intelligence, when it emerges, is very much a consequence of leadership. Brentwood has indeed been fortunate!

Not here today, but we must recognize the work of our previous Chairman. He served as Governor for over two decades and for five years led the Directors as their Chairman. In absentia we acknowledge the wonderful work of Brian Kenning.

It is a pleasure now to introduce our new chair. We have a different perspective, new energy, and a tremendously dedicated individual in Lynn Eyton. My congratulations to Lynn and good wishes as she embarks upon her term as Chairman of the Brentwood College Board.

As I bring my attention to the year which we bring to an end today, I cannot hope to offer a detailed report. May I say, however, that Brentwood remains a formidably effective school with respect to athletic, artistic and academic endeavour. Athletically, we have achieved local, provincial, national, and international recognition. These achievements will be further extended by Brentonians who will represent our School, this province, and our country in prestigious, demanding summer competition at provincial and world levels. Creative subjects add to the wide ranging daily programme offered here. Many of you attended our concerts and I invite

those of you who have yet to do so, to stroll through the main Academic Centre to view our gallery. Individual musicians, our jazz societies, choir, our performance bands, the drama groups, our design artists, photographers, and visual artists have stimulated us through out the year through fine performance and exceptional displays.

As we rehearse with discipline, train furiously, practise with dedication, we have found time to serve others. I acknowledge the quiet, but effective work carried out by students on behalf of the Big Brothers and Sisters organization. Our Outdoor Education Programme trains leaders who offer guidance to others in this community and those that they join in the summer and there-

after. Our Marine Rescue Society provided a safety net throughout the year for our water activities and indeed, is credited with saving lives. Finally, our Students' Activities Council provided several enjoyable social occasions for our community and they reached beyond it to raise over \$10,000 for local, provincial

and national charities. We gave our hand to local residents by way of work projects. They extended a hand to us by making donations to those who are needy. We, with sincere thanks, acknowledge the wonderful effort by our students and the support we received from the citizens of Mill Bay and the Cowichan Valley.

LEADING THE WAY

Staff ask that students do as they say and, sometimes, as they do. *Clockwise from above:* Mrs. W. makes unreasonable demands on Meaghan Moore in the game "I want"; Mr. Allpress directs the way for grads; Mrs. Jackson initiates Evan Long in the dizzy method; Mr. Garvey has a "riddle" in his hands; and Mr. Khanna shares some parting words with Valedictorian Tetsuro Nakatani.

FACULTY AT WORK AND AT PLAY

The Brentwood staff go all out in whatever they do, be it work or play. *Clockwise* from above: Digby does his "wailing wall" routine"; Allpress does a Ross on the dictaphone; the staff gather for Speech Day; the Pennells dress up for hat day; Garvey, Steinbrink-Kelly and Keaney get playful at a prefect dinner; and Martin and Cowie do their version of a comedy routine.

Back Row, Left to Right: P. Richters, J. Robertson, P. Steinbrink Kelly, S. Walker, C. Johnston, R.B. MacLean, I. Henry, E. Cooper, P. Smith, S. Wynne, T. Mitchell, C. Ogilvie.

Third Row, Left to Right: G. Leigh, S. Mais, S. Cowie, J. Jackson, N. Peters, A.C. Carr, R.G. Cooper, B. Melhuish, B. Tate, G.C.L. Pennells.

Second Row, Left to Right: B. Laurie, K. Digby, E. Widenmaier, J. Hoh, C. Adair, H. Martin, N. Arthurs, G. Keaney, D. Pitt, R.V. Lironi.

Front Row, Left to Right: S. Khanna, G. Linn, F. Linn, A.M. Pennells, W.T. Ross, J.B. Garvey, E. Mais, D. McCarthy, F.C. Purdon, J.L. Queen.

The Alex ladies harmonize in song while Johnston and Henry feel smooching builds staff harmony better. Mrs. Mais (*above*) is inclined to agree.

SALVETE

GRANT J. KEANEY

Grant joins us from Bishop's College School in Lennoxville, Quebec. He was educated in his home town of Burlington and then at Mount Allison University where he acquired his Bachelor of Arts and Education degrees and starred as an all Canadian half back on the football team. Grant has been teaching English in the academic programme and coached rugby, basketball, and touch football/ultimate frisbee during the sports afternoons.

SUSANNE P. WALKER

Susanne attended high school in St. Catharines, Ontario and then moved to the University of Western Ontario to complete her Bachelor of Science, Honours Degree in Kinesiology and Bachelor of Education degrees.

Susanne was a competitive rower for thirteen years culminating as a member of the Canadian National Team. This year Susanne joined our staff as a teaching assistant for our science laboratories and as the coach of our Junior 'B' and Varsity Girls' rowing crews.

MARTIN P. WRIGHT

Martin and his wife Tonya join us from Yellowknife, Northwest Territories. Educated in England, where he attended the Universities of Bournemouth, Wales and York, Martin previously taught at the University of Athabasca. His teaching role here has been in Computer Studies and Economics and he became assistant housemaster for Whittall House.

Grant Keaney

Sue Walker

Martin Wright

VALETE

Two Marvellous, Magical Men of Mirth and Merriment

This year, both Ivor Ford and Victor Lironi retired from teaching here at Brentwood. They will be sadly missed in the classroom where, in their own inimitable styles, their teaching was tempered by humanity. They will also be missed outside the classroom where their presence on campus and at social occasions afforded staff and students alike a view of two witty, original minds which individually were exciting and innovative, but conjointly became dynamic. We will miss their music, their lyrics, and, not least of all, their renditions.

Ivor Ford

"Play it at their end"

Teacher, Housemaster, Coach, Writer, Director, Performer.

Ivor came to Brentwood in 1963 with a Master's Degree from Oxford University as a teacher of English and Latin. Over the years, thousands of students learned that a verb is always called Vera and she must always be strong! He coached the forwards of the 1st and 2nd XV Rugby teams for fifteen years. National team members such as Ro Hindson, Marius Felix, Mike Holmes, Tony Arthurs, and Gregor Dixon (all forwards) will remember Ivor's contribution to their careers. He was later the coach of the Colts' Rugby team for ten years, where his credo that the successful team should be more terrified of the coach than of the opposition obviously worked. Well-known in the world of provincial rugby, Ivor played for both the Cowichan Rugby Club, the Crimson Tide and British Columbia. He was president of the B.C. Rugby Union and Coaching Coordinator. His contacts with England promoted British Columbia as a place for overseas touring teams to visit at schoolboy and club levels.

As the Housemaster of Ford House from 1986-1994, Ivor and his wife, Dunja, were "parents" to many girls, offering them a unique home and wonderful memories of that special area of their Brentwood lives.

Ivor personified the Brentwood spirit with his captivating revues. They afforded staff and students the opportunity to laugh at Brentwood life and its idiosyncrasies. His words and lyrics are still remembered and some have, in fact, become legendary. Mas-

ter of the English but not the Irish alphabet, Ivor will always be fondly remembered in the staff room for his annual comment on the second or third day of the school year: "Hmmm, the term's dragging already. It boggles the mind..."

Victor Lironi

"Even his dog had control"

Teacher, Housemaster, Coach, Actor, and Astronaut.

Victor came to Brentwood in 1969 with a Bachelor of Arts from the University of British Columbia. In the classroom, he taught Geography, English, and Western Civilization. He was Housemaster of Privett House for 15 years. Victor was responsible for giving Brentwood's sailing programme a high profile. Many of his students have gone on to higher recognition on the water. Working without the best equipment, he became the master of repair and "make do".

There are so many highlights in Victor's 24 years at Brentwood that it is hard to choose which ones to mention. He is, however, possibly the only Housemaster to have a student not run away but fly away. An American student, when denied leave by Victor for American Thanksgiving, simply hijacked a plane and flew to visit friends in Seattle. This, like other "house incidents" was managed by Victor with seeming nonchalance.

Perhaps the only time that Victor's unflappability was challenged was at a time when his nautical skills reached new heights.

He became one of the founding members of the Canadian space Programme and, at the same time, Canada's first astronaut. His flight, although brief and definitely of low orbit, began when he blew up his sailboat and himself. He at least landed on the boat. His heavy wooden hatch, faring less well, flew over tall trees to land on Bill Ross' lawn. The boat burned to the water line.

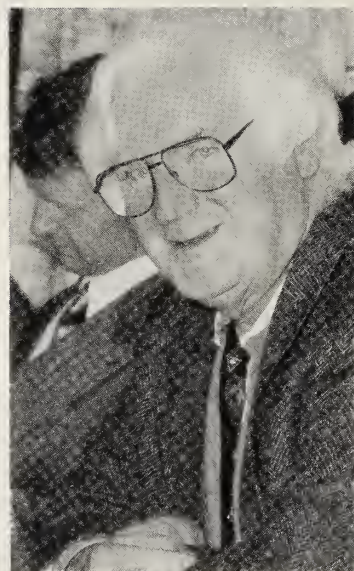

Readers lucky enough to have seen one of the two versions of *The Nude Spaghetti Western Scene* (written by Ivor), starring Jim Burrows and Victor will know the range of Victor's acting ability and his adeptness with a tray! We will miss his verse, and his ability to find humour in every aspect of Brentwood life.

We close with Mr. Ross' tribute to these two famous Brentonians:

"Ivor and Victor, I say thank you and express those heartfelt feelings of gratitude on behalf of hundreds of Brentonians, your colleagues past and present, hundreds of parents, personally, and from the Board. Your immense contribution has been greatly appreciated. Teachers, housemasters, coaches, emeritus, Brentwood." *Beth Melhuish*

A ROAST FOR VICTOR

To mark his retirement after twenty-seven years of distinguished service to Brentwood as teacher, housemaster and sailing coach, staff, former students and friends saw fit to roast Victor Lironi royally. Speakers called upon, including Ivor Ford, Cameron St. John, John Krysa, Kevin Smith, John Garvey and Rob Cameron, and even his wonderfully supportive wife Maureen, recalled much that was humorous and memorable about Victor's years at Brentwood. We know that few have entered retirement as eagerly as Victor and we are assured that he will go to the next stage of his life not with a "whimper" but with a bang!

This occasion also marked the presentation of banners for Brentwood team's BC championships. The banners will be on display in the sports complex and, we hope, be added to regularly in future years. Here Mr. Prowse and Mr. Ford accept the banner for the 69-70 rugby title, with three players from the first fifteen Brian Hawksworth, Pat Gourlay, and Ted Dunfee.

A TOAST TO BARB

Barbara Little's splendid service to the school over thirty-three years involved her in everything from secretarial and bur-

sary work to travel arrangements and, according to Mr. Ross, general repairs. Barb will likely use her travel gift to visit her children and grandchildren and will no doubt be even busier in retirement than she was at school. We wish her all the best and hope she will visit us often.

INTER-VARSITY CHRISTIAN FELLOWSHIP

Though the students have free transportation to the church of their choice very few take advantage of this offer to attend worship services on Sundays. We have on campus, special services at Thanksgiving, Christmas and Easter. The I.V.C.F. which meets every other Tuesday in a private home provides the only opportunity for personal spiritual growth and questioning. Guest speakers, discussion groups and personal testimonies are combined with recreational activities and the occasional theatre trip. The relaxed fire-side atmosphere attracts a variety of students, many of whom come out of curiosity, while others seek to deepen their faith and understanding. This year followed the pattern of many years and well attended groups heard Dean Henderson from Parksville, the Capernwray College music and drama group from Thetis Island, and Johnny Lenpold and his guitar from Vancouver, among others. The movie 'Dead Man Walking' provided much food for thought and discussion. The year ended with our outdoor barbecue on a beautiful summer evening. We were blessed throughout the year and have much for which to be thankful.

R.S. Wynne

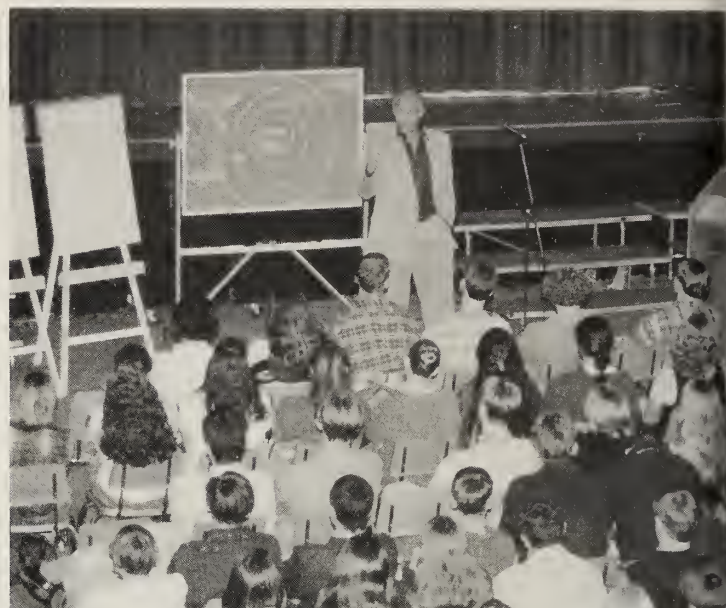

DEBATING

The Brentwood College Debating Club made an outstanding contribution to the development of excellence in public speaking. The academic power of the Graduating Class was demonstrated by several students. Hanna Ezzat finished a memorable career highlighted by her dramatic monologue at the International Independent Schools Championships held in Boston. Brandy Longstaffe applied her dynamic initiative and outstanding organizational skills by hosting the Vancouver Island Championships here at Brentwood in February. The Club will also miss Warren Code, Sara Quist and Dwayne Darby (a.k.a. Graham Lang) for their support over the years.

However the show does go on. The torch has been passed from hand to hand. Aviva Abramovich is an accomplished veteran who has organized two major tournaments hosted by the school. In addition William Duguid, Mark Hodgson, Alec Whitehouse, Brian Code, Liam Cooper, Paul Kenway and Tom Pennells have been both loyal members and accomplished debaters. Will, in particular, has become a champion, having finished eighth in the province as a senior debater, which is amazing considering he was only in Grade Ten.

Ms. Adair has discovered the talents of a promising group of Grade Eight students: Garth Tailleau, Blaine Townsend, Georg Woernle and Mark Collinson to name but a few.

R.B. MacLean

Debating stars Sara Quist and Will Duguid with mentors MacLean and Adair.

SPECIAL AWARDS PRESENTATION

HOGAN MEMORIAL SHIELD

To a Grade Eight student whose citizenship is unquestionable and whose leadership potential is couched within a lively and positive personality.

WINNER: **Monique CHEUNG**

DAVIS AWARD

To a Grade Nine student whose impressive academic effort is complemented by responsible citizenship and a strong co-curricular contribution.

WINNERS: **Meaghan MOORE and Brian NICHOLLS**

BRENTWOOD TROPHY

To a Grade Ten student with an outstanding degree of selflessness indicated by a strong desire to serve the community and the school as a whole.

WINNERS: **Katie MILLS and Candice ALBACH**

MACKENZIE AWARD

To the superior academic student of the Junior School.

WINNER: **William DUGUID**

MICHAEL IPATOWICZ MEMORIAL AWARD

To a graduate who has been at Brentwood in Grades 10, 11 and 12 and who carries a courageous spirit of adventure through a wide range of interests and activities. He or she is an individual who combines a strong self-belief with a touch of daring while striving for perfection. The rubric is captured by the phrase: "*Believe in yourself.*"

WINNER: **George SCOTT**

KATHLEEN BRYAN MEMORIAL AWARD

To a female graduate who, in her response to Berntwood, ultimately demonstrated a respect for the feelings that close meaningful personal relationships formed the basis for growth and personal development through our programmes.

WINNER: **Jacqueline MOLLER**

CALLIN FAMILY AWARD

This award goes to a student in Grade 10, 11 or 12 who is a loyal, enthusiastic, buoyant citizen, caring of the community and keen to do well academically, athletically and artistically.

WINNERS: **Sharon TOOLE and Griffin SEED**

GRADUATES AWARD

Recognises a graduate who is held in high regard by the other members of the senior class, not so much for any outstanding accomplishments though there may be many, but rather for the quiet but courageous manner in which he or she has reached out and embraced wholeheartedly any and every challenge.

WINNER: **Dior HOLMES**

PEYTON TROPHY

Awarded to an outstanding citizen in recognition of a strong contribution to both Athletics and Fine Arts.

WINNERS: Jeremy FERREIRA and Marlena McLEOD

POWELL CUP

For Senior Citizenship: for this we seek a student with an outstanding degree of selflessness indicated by a strong desire to serve the community and the school as a whole.

WINNERS: Jason REMAI and Oliver AMIEL

MARY BROOKS LAW AWARD

To a student from any grade in the school who shows "promise and strength of character and personality".

WINNER: Tetsuro NAKATANI

HEADMASTER'S SPECIAL AWARDS

To members of the graduating class who are considered by the Headmaster to have given some outstanding service to the school and through whose personal presence the school's society has been considerably enriched. (In alphabetical order:)

Andrea AVOLIO, Colin BRADLEY, Chris BURKMAR, Andrew DRYDEN, Tom HERSCHMILLER, Mike HSU, Ellisha KAMELL, Joanna KELLY, Barbara KERR, Graham LANG, Brandy LONGSTAFFE, Ivan LUN, Chris MARTIN, Sarah NICHOLS, Yuho OKADA, Sean PIDCOCK, Leif SHORT-FORRER, Mason WALKER, Charlie VALLEJO, Rosanna WATSON, Ben WU.

THE BRENTONIAN SHIELD

The graduate who has done the most to encourage a love of scholarship, through either personal attitude and achievement or assistance to others.

WINNERS: Warren CODE and Gordon KARAU

BUTCHART TROPHY

For the Dux, the leading academic student of the senior school.

WINNER: Warren CODE

APPLETON TROPHY

For senior leadership, recognising outstanding strength in leadership and ability to organise intelligently, together with a personal charm which attracts others to follow his or her example.

WINNER: Emily MANNING

THE T. GIL BUNCH CUP

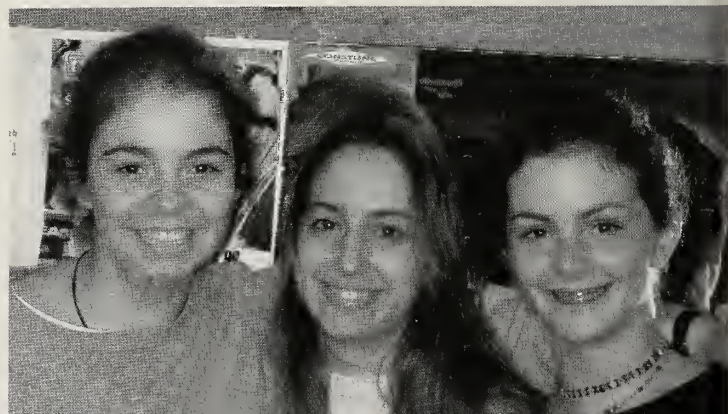

For the student in the graduating class who displays, in addition to scholastic and artistic excellence, stability and strength of character together with a willingness to serve.

WINNERS: Carla SMITH and Hanna EZZAT

THE YARROW SHIELD

For that student in the graduating class who displays, in addition to scholastic and athletic excellence, stability and strength of character together with a willingness to serve.

WINNER: James WELDON

"Ohmigod little bro, look! Camera!"

The **GATZIONIS** boys look on as **Dimitra** shares life's secrets

"**LEDESMA LTD.**" - copyright.1996.

Now how much is it going to cost me to get these two little Backers through Brentwood?

So, which one of us is not a Lewis?

FAMILY...

Left: Chuckie and Aaron **VALLEJO** take the Ellis brotherhood seriously while the bright-eyed **BURKMARS** defy the notion of 'sibling rivalry'

Daddy Johnston is smiling now but wait till little Emily gets to be dating age.

See the charm and grace passed through the **MANNING** sisters.

HUMAN CONNECTIONS

Dior and Emily

Just Relaxing.

Petey and Matt.

pose, smile - say 'cheezzzz!'

Leif and Camilla.

looking good

LIFERS

*Celebration Dinner
for Five Year Graduates*

Lifers' Song

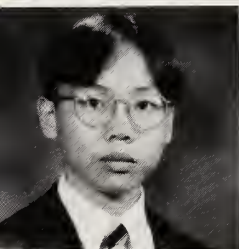

*I live in a teenage palace
A home away from home
I never want to graduate
I never want to roam
Just let me write those essay
And compose an epic poem*

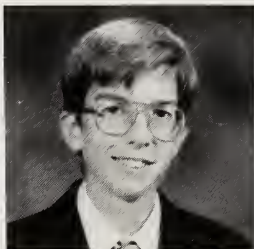

*For I want to be a lifer
I want to be a lifer
I want to be a lifer
A lifer's what I want to be*

*I think my parents love me though
They send me far away
And Uncle Bill can't name the sum
They're not prepared to pay
But their new one-roomed apartment
Wouldn't suit me anyway*

Benjamin Wu

James Weldon

Rosanna Watson

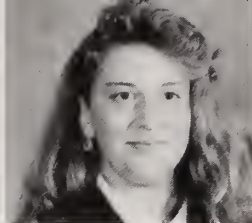

Jack Lee

Ivan Lun

Esther MacKinnon

Emily Manning

Peter Mathews

Marlena McLeod

*For five long years I've shared a room
 What joys I have to tell
 Of friends who never snore nor burp
 Whose socks do never smell
 To have a bedroom of my own
 Would surely just be hell*

*I had a chance to leave Brentwood
 And go to public school
 To put my hat on backwards and
 Wear boots and look real cool
 But I'd have to give up rowing -
 Do they think I'm a fool?*

Jacqueline Moller

*He thought that I must graduate
 Has made me stop and grieve
 And form a new ambition you
 Won't find hard to believe
 I'll just be a Brentwood teacher
 And never have to leave*

Dax Ordze

Shaun Pidcock

Jason Remail

Mariska Richters

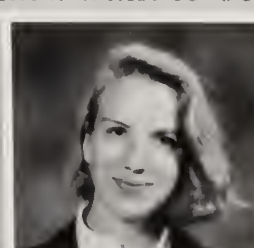

*For I want to be a lifer
 I want to be a lifer
 I want to be a lifer
 A lifer's what I want to be*

POWER TO THE PEOPLE

My Last Speech

Madam chairman, honoured guests, members of the faculty, parents and fellow Brentonians, on behalf of the students, I would also like to reiterate what Mr. Ross has said with regard to Mr. Ford and Mr. Lironi. Both have been here as long as I can remember...as long as I have been alive...longer than I've been alive...way longer than -- The character and charm that they have brought to this campus throughout their careers has made life that much more pleasant for all of us. So on behalf of us all, thank you.

Finally, I would like to say a few words about the school itself, and the best way to express my thoughts, I think, is to explain what I feel it has done for me, as an individual.

One of my earliest memories of Brentwood is of the cafeteria, just into the first week of grade eight. I remember sitting there in my new accountant grey crease holding wool/wood-blend pants, staring at what I would later learn was called Beanie Weanie, when suddenly the table next to mine erupted. A teacher had seized a boy there by the shirt and screamed something in his face before hurling him bodily out of the cafe. "What was all that about?" I asked the boy next to me. "Huh", he said "Fool didn't have a collar on." I remember thinking at that moment: "Five more years.. just five... more...years." You see, at the time, like a lot of people who first come to this school, I saw Brentwood as something to be endured. And for the first few months, that's exactly what I did. I endured it. Until one day, it occurred to me that maybe that was the wrong attitude. I was looking at the life that lay ahead of me, and thinking that if I could

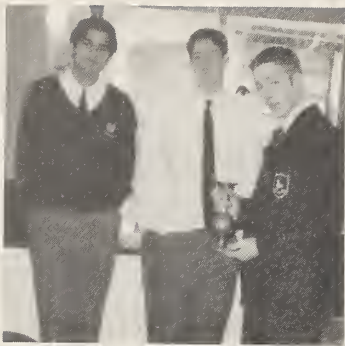

just get through the next half decade, I could finally start to enjoy myself. Well, once I got through university, anyway. Oh, but then there's that pesky work thing of the next forty years... it suddenly dawned on me that it wouldn't be until I was sixty-five that I would finally be able to buy an RV, move to Florida and die. It seemed to me that there was something missing. I decided that I would never really enjoy this school unless I started to take advantage of it, and it wasn't until then that I started to realize just how much opportunity there was here.

I guess the point I'm trying to make can be illustrated in my recent career in senior rugby. It started in early September when Mr. Allpress called us in to tell us who wanted to volunteer for rugby. I suppose I didn't make myself very clear to him (the words "I'd rather die" being somewhat ambiguous). Because the next day I found myself running Heiny-Molars in shorts that wouldn't be legal on the beach. As I strained there with my head wedged between my teammates' rear ends, I began to question whether I was truly having "fun" in the traditional sense of the word.

A month later, though, when I had been raised to the prestigious position of the guy who stands on the sidelines pointing the wrong way with the flag, I was no longer questioning. I was sure. I began to wonder exactly what it was that was making me so miserable, and decided that it had to do with the fact that my skills were, to put it in the gentle words of my teammates, pathetic. In the next game, then, I decided I would really try. For that hour, I pushed at various people, clawed at the ball, and ran around randomly like I had never done before. At the end of the game, I realized I had contributed something to the team...well a little, anyways. OK, I didn't contribute anything, but more importantly, I realized that I had enjoyed

myself. I had really started to take an interest in what was happening and had thrown myself whole-heartedly into the game. This principle is true of everything at Brentwood. You only get out of this school what you put into it. Take rowing, for instance. I started out on my rowing career in grade eight. The Colt C's. With the strength of gerbils and all the coordination of thirteen year old boys, we were a legend. In an entire year of racing, we beat a total of three crews, two of which had breakages. For some reason, though, I kept at it, and in my second year, I even started to like it. Three weeks ago, as I stood on the podium in St. Catharines, I thought to myself...well actually I was thinking "Yay, yay, yay, hmm this Spandex is quite revealing" and wondering vaguely who didn't wear deodorant. But I should have been thinking (it makes a better story, anyway) of how glad I was that I had just stuck with it, and that I had taken advantage of what had been offered. Brentwood isn't a chore to be completed, but an opportunity to be seized. I suppose that little book, that source of infinite wisdom that has changed so many lives that I call my student planner, said it best when it wrote "Happiness is not a destination, but a means of travel." Make use of this school. You may as well. Do something that you've never done before. Be creative and really apply yourself. You'll find that Brentwood teaches a lot more than the name of the guy on the ten dollar bill, or a basic fear of denim. If you'll let it, it will teach you an approach to life.

HOUSES

Human Habitation

ALEXANDRA HOUSE

"The time has come, the walrus said..."

E.M: This year Alex House boasts a beautifully renovated residence, with some of the rooms rivaling those in a deluxe hotel! Finally the construction process ended, and we were able to enjoy the results. At the beginning of the year, I considered using roller blades to get from one end to another; however, the numerous stairwells thwarted that idea. In any event, I was destined for a great deal of exercise in one way or another - physical and mental!!

em: I always dreamed of having the "penthouse" dorm, so I was elated when I found that I had got it. Even though I had to climb several stairs to the third floor, the lovely panoramic view and bright airiness sure made it worthwhile. I love the room!

E.M: It has been gratifying to work with Emily as Head of House, especially because her stated goal in grade 8 was to be in that position. Emily's unquestionable loyalty, commitment, high energy level, boundless enthusiasm and organizational skills have been invaluable to Ms Adair and me. She had strong support from co-leaders Jackie and Barb, each contributing different skills and qualities to the team.

em: Leading the house this year has been a challenge, but a pleasure. The renovations in the house allowed for 6 additional students. Each of the 54 boarders and 18 day students gave a different dimension to Alex House, which has always been known for its unique personality and ambiance...as well as for its fire alarms going berserk at all hours of day and night!!

E.M: It has been quite a remarkable group of grade 12 young ladies, ranging from five year to one year class members. From a purely housekeeping point of view, I greatly appreciated how readily most (sorry Ginny!) went to bed every night! They also definitely set the tone for the house in terms of cleanliness, frequently winning Number 1 Inspection and setting a terrific example. Next year's class has a tough act to follow! Be warned!!!

em: This school year at Brentwood has been one of, if not the most, successful ever for what we have achieved. Much of this achievement has come from girls in Alex House. Yet I do not think this could have happened without the mentoring and leadership from our house moms - Mrs Mais and Ms Adair. On behalf of everyone in the house, I would like to thank them dearly for their love and care. I would also like to thank all the prefects for their help running the house.

E.M: The year has been a medley of friendships, tears, laughter, chat sessions, 'canoodling' in the common room, hair-dying, hair cuts, rice cake crumbs on the floor, and six 'Megans/Meagans/Meaghans' - everything a colourful, integral component of the lively mosaic that is Alex House. Allow me to highlight a few of my most memorable: the nightly chase to find Brooke; the speed with which Karen and Jocelyn cleaned for inspection; the frequency with which Megan, Melissa and Lauren simulated a tornado; the 5:50 a.m. knock on my door from Jenny for confiscated shoes; the power of the base in Emily's and Christina's music pounding through my walls; the image of Jackie as 'the flying nun'; the 'T.V.' in Nic's and Megan's room; Jaime stomping through the hallways...each memory warms my heart!

em: Thanks for my everlasting memory of pâté, Dior and Lorna! That's what friends are for, right?

E.M: Tarka really appreciated the crumbs on the floor, always walking through the house with her nose close to the ground. Thanks for the dog biscuits, Selenel! As for Stimpy...he rose to new heights through the windows on the top floor! Sorry, girls...I tried to keep him locked inside as long as possible in the mornings!

em: We all wish Ms Adair "good luck" in the future. Her work in the house was well respected and appreciated by all the girls, and her full-time presence next year will be very sorely missed - despite the fact that she will be doing duty one night weekly.

E.M: Ms Adair and I were richly rewarded by all of you. We were even brave enough to agree to an Open House! Yet all good things must end. Sadly, "the time has come, the walrus said," to say 'farewell' to this wonderful grade 12 class, as well as to Ms Adair. We wish them all the very best in their new roles, and look forward to what next year will bring for Alex House.

em: We welcome Miss Walker, who will replace Ms Adair as Assistant, and wish you all a happy, successful year. After 5 years here, I will definitely miss Alex House!

MACKENZIE HOUSE: A Cast of Thousands

For me, 1995-96 was the year of the cast -- three casts, to be precise, over a period of twelve weeks. Some of you may have witnessed this wonderful sight. I moved with the grace and fluidity of a badly wounded hippopotamus. The girls responded in their own inimitable, supportive fashion, by writing some encouraging and uplifting messages on my cast: "Get well soon, Baldy", "Ha, Ha, Gimp, you can't catch me now". Where would I have been without their comfort and warm wishes?!

Each of the girls did, however contribute one of life's little instructions to my cast. Here they are recorded for posterity.

Gabriela Busto-Iturbide - "Always learn how to pronounce your teacher's name properly." **Monique Cheung** - "Take your camera everywhere. It can be your best friend." **Amy MacKenzie** - "Name the house you live in after yourself." **Lucy Brown** - "Find a good tailor." **Kelly Cmolik** - "Always wear polished shoes." **Siobhan Gilroy** - "Avoid over-exposure to the sun." **Harriet Hoesli** - "Treat your laundry basket with affection." **Melanie Langdon-Wilkins** - "Take out the garbage without being asked." **Crystal Marko** - "Don't whine!" **Colleen Rezac** - "Don't hokey when you can vacuum." **Veronika Voracek** - "Life is like a basketball game. A series of hoops to go through." **Candice Albach** - "Never kiss a boy whose name rhymes with Fartin." **Kelly Annable** - "Stay clear of liquor stores." **Bryony Baker** - "Don't judge people by their sisters." **Kathryn Edwards** - "Create a smoke free house." **Sara Ezzat** - "Take your sister to obedience school. You'll both learn a lot." **Rhiannon Foster** - "Don't mention your sax life in the washroom. People may mishear you." **Stephanie Harris** - "Return all things you borrow." **Shannon Hsu** - "Always room next to an exit for an easy escape." **Lydia Kingsbury** - "Never Kiss in public places." **Carey Livingstone** - "Blondes have more fun." **Louise Pickles** - "Never ever do a sport where you can't see where you're going." **Alana Silverman** - "Never phone your Mom for a quick chat." **Lisa Tsui** - "Look for ways to make Mrs. Linn look good." **Aviva Abramovich** - "Accept the fact that regardless of how many times you are right, you will sometimes be wrong." **Jennifer Allard** - "When tempted to criticize your parents, bite your tongue." **Katherine Bruce** - "Make allowances for your room-mates imperfections." **Dana Dickinson** - "Procrastination is an art form." **Margot Elwick** - "When wearing short dresses, never forget to wear underwear." **Dimitra Gatzionis** - "Never mention being on a diet." **Natascha Kiernan** - "Mathematics isn't a subject, it's a way of life." **Michelle Klau** - "It's not how you study. It's how long that matters." **Su Lin Lewis** - "Don't judge people by their brothers." **Adrienne Mitchell** - "Always buy shares in makeup companies." **Natasha Nakai** - "Become an expert in time management." **Amber Palmer** - "Good things come in small packages." **Adele Sacks** - "Talk slow, but think fast." **Joyce Tsui** - "Play the piano and find the keys to success." **Andrea Avolio** - "Drink 8 glasses of water a day." **Sarah Baker** - "Never dream about sexy men in French. Dream about them in English." **Hanna Ezzat** - "Never light a candle in a room with smoke detectors." **Cynthia Harris** - "Love someone who doesn't deserve it. Never trust car salesmen." **Jessica Hicks** - "Moon children on school buses." **Nadine Hoehne** - "Carry a list of your boyfriend's sizes in your wallet (Large/Extra Large)." **Joanna Kelly** - "Zits are a fact of life." **Alyssa King** - "Conduct yourself in such a way that BCS will invite you to return to speak to the graduation class in 2010." **Joanne Livingstone** - "Remember that everything looks better after good night's sleep." **Brandy Longstaffe** - "Don't drink Brandy. Savour it!" **Sara Quist** - "Sing and the world sings along. Whine and no one listens." **Camilla Schnurr** - "Keep a tight rein on your temper." **Cynthia Todd** - "Five years can seem like a lifetime." **Sharon Toole** - "Don't judge anyone by their name." **Jennifer Twiss** - "Don't do today, what you can put off until tomorrow." **Rosanna Watson** - "Boyfriends come and boyfriends go, but room-mates are forever." **Andrea Flemming** - "Always leave your mess on someone else's floor." **Rebecca Kinkead** - "Hockey is like a drug. Players get high on grass." **Brandy-Ann Yeager** - "Never use profanity" **Nicky Gosling** - "Live for today. Tomorrow you might turn into a Goose." **Angela Lockwood** - "If you shout loudly enough, someone will hear." **Rebecca Whitney** - "Never flirt with young men with curly hair - it's difficult for them to go straight." **Jacquie Gregory** - "Don't live in a house that Jacquie built." **Laura Jones** - "Shout and nobody will listen. Talk quietly and people will pay attention." **Megan Stone** - "Never sell yourself short." **Lindsey Sweet** - "Watch less TV." **Amy Christofferson** - "Be punctual and insist on it in others." **Susan Gosling** - "Never trust people who spend all their lives in courts - lawyers and tennis players." **Kara Lapointe** - "Always live within two minutes walk of where your first class will be held." **Nancy Leckie** - "You can always tell a classy lady by the number of shoes she has." **Marlena McLeod** - "Presidents are rarely to be trusted." **Aisling Murphy** - "It's important to recognize your own legs." **Carla Smith** - "Never underestimate the power of love." **Alison Taylor** - "Life without rowing is like a fish without a bicycle." **Miss Peters** - "Do all you can to increase the salaries of good teachers." **Mrs. Linn** - "Never nag." **Mr. Linn** - "Marry a woman you love to listen to. As you get older, her conversational skills will be as important as any others."

Perhaps, I should compile a book of these sayings or perhaps, I should write a book of my experiences. Well, maybe I'll leave that for next year. I'll leave you with one final thought with which everyone, staff and students, in Mackenzie House agrees.

Ian Bishop and Andrew You

Ellis House

In the first house meeting of the year we introduced our grade 12 group to the rest of the house and, by the time we had called up the 17 prefects, it was clear to us all that this year was going to be something special. The leadership shown by the seniors was in no way disappointing and I would like to thank them for their efforts and example. Five of them: Jeremy, James, Chuck, Ira and Jack were 5 year men and for Ian Henry, Lisa and I it was also our 'lifer' year. It was no coincidence therefore that such a significant year was so full of promise, fulfilment and warmth.

Early in the first term, as I stared at a large gaping hole in my tailgate those ties were somewhat strained. "Ellis House rocks" has been our motto ever since.

More pleasant memories of the first term include our "Casino Night" where, in exchange for five real dollars students were given 50 Brentwood Bucks to gamble and win exotic prizes like pizza and cans of Pepsi; all in a good cause, raising \$700 to sponsor children in a residential school in Uganda. As I write, an Old Boy of Ellis, Mike Hall, is currently spending his summer helping out with some math teaching there. Coming to us in the first term we had Luke 'Skywalker' Baxby from John Paul College, Australia. He commandeered our kitchen for about a week and built the 'Ellis Express' candy train, our winning entry in the Gingerbread House competition. Local children got toothache and we won a fancy meal in the

Brentwood cafeteria, which proved to be a great success and was a nice way to start the second term.

As I muse on the year it becomes a kaleidoscope of memorable highlights. Il Terrazzo with the twelves and Grade 8's that had energy for every occasion, Grade 9's that never had energy for any occasion, Grade 10's that had energy at night and Grade 11's that had energy called Marco.

Truly this has been a wonderful year. My thanks to Sports Captain Sean Dunlop for bringing us so close, within five points of winning the inter-house trophy. To Assistant House Captain Tets, your valedictorian speech says it all my friend and we will frame it to keep hearing your "true words" down the years. To James, congratu-

lations on your year as Head of School. Sorry you could only make Assistant in Ellis. To Tom Herschmiller my thanks on behalf of the whole house. Your sterling efforts and outstanding example are much appreciated by all. Charlie, keep being the fine person that you have been these last five years. To the duty staff, Steven and Beth, my thanks for your good humour, tact and patience. To my co-pilot Ian, thanks for your tremendous support, your presence in the house is so positive for us all. Finally to my dear wife Lisa, my sincere gratitude for all you do each and every day of the school year to make Ellis a better place for us all.

D. McCarthy

WE'VE GOT THE SPIRIT

The old Priveteer spirit is evident whether in the 8's and 9's above or in Mr. Johnston's music, or the cake designers (Jonah, Jason and Nick), or in inter-house competitions.

PRIVETT HOUSE

MEMORANDUM

To: Mr. W. Ross

From: Shrawan Khanna, Housemaster - Privett House

Subject: Victor Lironi, Retirement: Honourary Lifetime Membership

Date: July 3, 1996

Dear Sir,

I would simply like to bring to your attention a fine young teacher at our school, Victor Lironi, who, for some foreign reason, is planning his retirement after the 1995/96 school year. I am not really sure why he would want to leave us!? After all we offer him so much. On Tuesday nights he comes in only to be greeted by children of the students he taught so many years ago: Russ Hicks and Michael Woodward. They were just half of an easy-to-manage and cooperative group of grommets including Porter Stroble and Matt Mann. He is also met by able prefects like Kerry Martin, who controls the underground under-ware trade in policing the laundry, and our stalwart Sports captain Yuho Okada, who has been

teaching Victor the art of noodle eating. Of course he never has to worry about people like Scott Webber and David Huk because they are far too busy playing Doom on their computers.

Once a year he is entertained by the immensely successful Privett disco this year featuring Ephemeral with Henry Fletcher, newcomer Jeremy Sells and a couple of other donuts from other Houses. Of course there is also the annual Christmas dinner at the Quamichan Inn, the culinary highlight of the year (that is, after roast beef at the Caf on Wednesday nights). This year the skits were perhaps some of the best we have witnessed. But it does not stop there....

We cannot forget the sporting prowess on the field leading

to the seventh interhouse boys' title in ten years. I ask you who would give all of this up? And I'm not even half way through my list. Who could neglect the leadership of the Grade 12 class? Led ably by the strength of House captain Jason Remai, who has done a marvellous job, there was a tone in the House that left us feeling like one big happy family. And oh what years of experience we have. Chris Burkmar, Sean Pidcock, Jason Remai, have been with us five years; Yuho Okada and Andrew Chow were with us for four years, and on and on from there. It is a special place. Who would give all of this up?

Of course I have had help. Mr. Clayton Johnston, his wife Kate and, of course, my wife have been undying in their support.

But la piece de resistance: two new babies. At one end of the house Samantha and at the other end Jyotish. I mean Victor would be a surrogate father to the boys and a surrogate grandfather to the babies. What more can we offer?

Yet after all this he still wants to go. We will miss him dearly. He has helped us, laughed with us, laughed at us, taught us, told us stories, made up stories, cared for us, and been proud with us. We ask you to join us in bestowing upon him Honourary membership status. Not only does membership have its privileges, we have also been privileged and want to continue that association. This year and those past, it has been a great ride!!

ROGERS house

The boys are gone. Their rooms are but vacant shells and, reflecting upon the memories, I feel proud to be associated with such young men and now, even so soon after their departure, nostalgic. William Cowper talked about nostalgia as "The peaceful hours I once enjoyed! How sweet this memory still." While not so much time has passed that memories are of tranquillity, they are of camaraderie and friendship. This theme was developed at the House Service especially by Thorsten who discussed the friendship which extended across the grades. To paraphrase him: whether it is in Jone and Blaine's dorm where it is just as likely to see Andy Cheng as it is Graham Lang, Grant and James, or on the beach at Shownigan Lake, or in the common room around the foosball table, the boys get along and, for the most part, enjoy each other's company. Some say that it starts with orientation; the name game, the soccer game and the night swim. But it must be more than that. I feel that it is initiated by the senior class because they set the tone.

My sweetest memory of the senior class was our first outing together - a fishing charter at Tyee Lodge, Bamfield. We departed campus Saturday evening, on one of the first weekends of term, with numerous bruised bodies and one concussion that resulted from an away St. George's game. A lasagna dinner was served at 1:00a.m., followed by a hottub under a clear moon and star-lit sky. Well aware of the 5:30 wake-up call some of us eventually got to bed. Mike Hicks takes great pleasure in playing the most inappropriate music at an unacceptable volume that drives its victims out of their profound slumber to the source of the ghastly noise which then persists in one's head all the way out to Swiftsure Bank. Fifty-six coho salmon, Darcy's innocent remark to Lawrence about his green pallor, Lawrence's quip "No, I'm just fine!", Mike Hsu's winning fish, Bob and the forgotten licences, Pachena Bay, surfing, kayaking, the reservation dog and the oyster, salmon and steak barbecue which lasted for three hours, all made for a remarkable

day. We pulled ourselves away at sunset and were back on campus at 12:30 Monday morning. Graham, Chris, Ben and Grant then proceeded to organize the hanging of the Whittall House bull, which was kidnapped by Chris and Colin several days before, for that day's assembly. As Jason Oh played the kettle drum with the freshly painted Jolly Roger flag as a backdrop to the suspended bull, I knew that this was a special class.

And then there was "the Car". From the stage in the auditorium to the Rogers barbecue on the wharf anchored in the bay, that car certainly got around. In a way it was a symbol of the friendship that existed between the lads as it took strong will, cooperation and understanding to move the mascot around in the dark to the assorted destinations. I saw the same unity in the grade tens, whose job it was to guard the vehicle during the interhouse track and field competition against marauders from other houses.

The year is over and the memories are sweet. To Graham,

Gordie, Colin, Chris, Mike, Grant, James, Dax, Andrew, Jun Ho, Ben, Lawrence, Darcy, Travis and Ryan, you will be missed.

We are not only saying good-bye to our grade twelves but also to Mr. Clyde Ogilvie who has given tremendous service to the House over the last four years. The boys will miss his tenderhearted and compassionate approach, as well as his sub-runs and basketball stories.

In his place we welcome Mr. Keaney who has demonstrated all the necessary qualities to be a fine member of the house staff. Finally, I want to acknowledge Mr. Allpress who said the house prayer at the service in recognition of the three "five year men", Gordie, Ben and Dax who were here during Johnno's last year of housemastering. Thank-you to Mr. Martin, Mr. Tate and Mr. Carr for your service to and support of the house.

I look forward to another fine year.

Frank C. Purdon

The crippled captain Ollie.

Grade 10 posse.

Whittall House; 1996

New surroundings; new furniture; new T.V.; but old, old problems !

Much of what has happened in the individual life of Whittall boys this year has been positive and with purpose, as always. Our new batch of Gr. 8s, containing two whose fathers I had taught here a thousand years ago, proved to be one of the most challenging for a long time. They tested the patience and the goodwill of staff and prefects alike for a while, but, slowly started to come on track and are, just now, beginning to join the human race. There is plenty of potential here if only we can manage to harness it and get them pulling with us instead of pushing against us. The Gr.9s have discovered girls, deodorant and after-shave, usually in reverse order, which has brought a whole new dimension to their lives and, by default, to ours. Not quite sure whether they are senior juniors or junior seniors, they live a life of testing the waters, and of usually losing the battle. Finding a group identity at this grade level is always difficult and this year has been no exception. I am still searching for some strong character and leadership in this group but no-one is standing out yet. Who knows what will emerge next year ? In Gr. 10, we welcomed several new faces who have now merged into the general pattern. Some good academics and some fine athletes in this grade but little real cohesion or, I regret to say, correct leadership. Perhaps the transition into Gr.11 will bring with it some realisation that taking the right fork in the road can affect their whole lives. Undoubtedly, Gr 11 has been a class act. Here there is REAL leadership, and of a quality which I have not seen in here, en masse, for many years. They have energy, moral courage and initiative both as individuals and as a group, and this bodes well for the state of the House next year. I have been most impressed with the potential and with the reality of what I have seen so far from this group. For the Gr. 12s, a year that has flown by so quickly that they hardly noticed it; a year of anticipation of all that "freedom" to come (what a shock is waiting for them out there when they meet up with income tax, mortgages, car payments etc.); a year in which they have had to try to set the pattern for their lives and achieve the standards required in order to make that a possibility; a year in which much of the structure of highschool has seemed trivial compared to their needs for individuality and independance. The strong ones have realised the importance of the moulding which responsibility here can give them, and have tried hard to meet the daily demands of prefectship and other offices. For others, it went from being a novelty to being a bit of a drag and might tell them something about their ability to handle a responsible job for a lifetime. In sports and other inter-house competition, we started slowly but, in the third term, some better results started to emerge and Gur, as Sports Captain, was waxing eloquent in House meetings in an attempt to exhort his troops to greater effort. To the House Captain Oliver Amiel go my warm thanks for all his efforts in what has been an unusually difficult year. His leadership has been unquestioned and unrivalled, and his concern for the House and everyone in it has been an example which I hope that future leaders will emulate. To him and his Assistants, Ivan and Paul, and to all the prefects, go our thanks and best wishes.

The duty staff, Mr. Burrows, Mr.Digby and Mr. MacLean have, as always lent a touch of sanity to the happy home on their evenings and we thank them sincerely. Also to Martin Wright, who has had his initiation as Assistant Housemaster in an unusually hectic year, we extend our warmest thanks.

CERAMICS

Below: Rosanna Watson and Theo Goethals show their craftsmanship.

In my first year in Pottery our class has picked up the basics of Pottery. We learned wedging which is like kneading bread to smooth and give the clay more structure. We also worked on centering the clay on the wheel and throwing simple shapes like cups, bowls, and small vases. Extending their skill others have gone on to make more complex sorts of shapes such a pitchers, teapots, great vases and salad bowls. Mr. Robertson is a new pottery teacher to the school and a professional potter from Cobble Hill. He taught me and many others the ways of this beautiful art. If students have not tried pottery, I encourage them to do so. *Aaron Vallejo*

OKLAHOMA!

THE MUSICAL

Now that the fret and fever of the production have receded into the little grey cells (I am at a loss to know how that happens so quickly!) the director/producer can safely recall the memorable moments and melodies without a sudden surge of adrenaline. In spite of appearances, mechanics have very little to do with the smooth running of a show, let alone the universe. When a cast and crew are racing to meet opening night deadlines, time seems to stretch and shrink almost maliciously.

From the auditions in Oct. '95 (here I reiterate the concerns of some staff members: "You are a glutton for punishment, Widenmaier!"); through the juggling of duplicate rehearsals, dress and technicals to accommodate the double casting of Laurey; and finally to the opening night, April 8, time did not "hold me golden" (I thank you very much, Dylan Thomas) but I did feel as if I was not only "chained to the sea" but also just keeping my head above water.

Prodded by the baton of maestro Cooper, cajoled by choreographer Stubel and perhaps constantly numbed by my rantings, the cast remained remarkably stoic. When I recall that these students actors-singers-dancers put in a full morning of academics; followed by the after-

noon programme and then, daily rehearsals aside, not only stayed on their feet through two weeks of technical-dresses and performances; but also sang and danced their hearts out, well, the expression "met the challenges" would be an understatement, if not an insult, to the passionate commitment that these young people made to this show.

That principle in play, called Murphy's Law, is a first law in theatre, but its accompanying teeth grinding has also remarkably vanished post-production. It runs something like this - the bigger the cast on the stage, the greater the chance of chaos. Coordinating saddles, guns, boots, a leaky stage, a surrey that upstaged Aunt Eller's house by virtue of sheer size; persuading Hanna to fire a gun not at Mark but in the air; praying that Ryan would fire at James, but jut miss him: all could be held responsible for my heavy coffee addiction!

As I look through the photos of this Oklahoma! Production, what remains steadfast, though, is my admiration for the cast and crew - 1990's teenagers interpreting for a modern audience, a slice of musical theatre history, espousing simple sentiments from a bygone era, in a cornfield no less. Well, I couldn't say "no!"
E.W.

Receiving richly deserved accolades after the last show, Director-Producer Widenmaier, Conductor Cooper and the stellar Oklahoma cast take their final bows.

A Review

On February 2nd and 3rd, the Acting 12 class put on a production punningly entitled *Seven Stories* written by Morris Panych. Under the direction of Keith Digby, the play explored isolationism within an urban setting. Chris Martin, the star, played a beaten man, forced to consider the issues of relationships, image, religion, ethics, fashion, friendship, social structure, death and philosophy, all while "vacillating" between suicide and life.

Adele Sacks and Jeremy Ferreira portrayed a couple entangled within a warped relationship of hate/love. Adele Sacks was consistently strong, never losing her energy. Jeremy gave a convincing performance as her (nearly) murderous lover, deadly serious whether toting a gun or flushing goldfish.

Mike Weisner, a paranoid psychiatrist, in his fidgety, sleepless performance was HILARIOUS. Kudos to the hair stylists who worked on Mike. His high

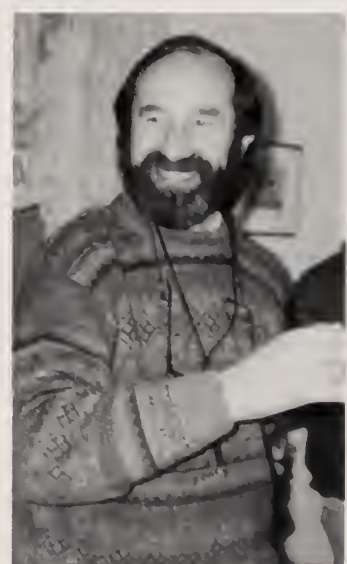

strung attitude came out perfectly, and the teddy bear was a nice touch.

The rest of the cast - Graham Lang, Nancy Leckie, Amy Christofferson, Kerry Martin (whose accents were extremely believable and well timed), Kathryn Tate, Duncan Ross, Jen Twiss, James Lonsdale and Jennifer Bargh - played their characters extremely well, adding to the reality of the entire play.

The strong performances from the seven windows were brought together superbly by Chris Martin, who really made the show for us, ("Sensational!" *Myrf*) creating an ambiance of nervous futility, a broken man whose "faith in the days of the week has been seriously undermined." At any moment you expected him to crack and leap from the ledge into the crowd. Brilliant, can't say enough about the guy!

This play, in our eyes, was a hit, taking a little known script and using the witty dialogue and action sequences to bring it to life. Four thumbs up. *K. Digby*

CONCERT BAND - BRINGING MUSIC TO LIFE

With a few old hands and many new faces, this year's concert band had its share of both rough and bright spots. The repertoire was an eclectic one, from the pompous overtures of the Tannhauser March to the stirring and playful melodies of highlights from "Cats", to the south for "Riverboat Rag" and "Gospel in Dixieland". There was even a piece with highlights from "Sgt. Pepper's Lonely Hearts Club Band". And, of course, the Christmas tunes played at the December service.

The results of the year's work in rehearsals were performed to a receptive audience at the Spring Concert. All in all, it was a successful year for a relatively young band.

MORE POSTCARDS

-RETURN TO SENDER-

Mom and Dad:

From the shopping, food, tube rides and tours, to nightly shows and the guys in tuxedos, London is a remarkable experience that won't soon be forgotten by any of us. Our most memorable thought so far was Mr. Digby yelling: "You forgot to get a wake-up call again? I can't believe this!"

See you soon, Love, *Angela*

Dear Mom and Dad,

I have been in London now for five days. I have seen so many things. There is a lot of stuff over here!

Chris is great, but he is beginning to twitch and make strange animal sounds. It must be the new atmosphere!

Lots of love,

Jacqueline

Hey there! Is the trip fun? You bet! I never knew that one city could contain so many different fabulous things. Mr. Digby and Mrs. Widenmaier are being driven to the point of insanity because of our group. But, of course, not I! I have been to the scariest show ever; it was called "Lady in Black". I can't walk down the hallway in the hotel by myself! One thing is the halls look like the ones in "The Shining". My roommate is great although she is homesick. I have the worst case of the flu you have ever seen. I had to bring a plastic bag with me on the tube, but I will still shop!

See you soon, *Sarah*

Dear Mom,

Today, while I was shopping down on Carnaby Street, I was thinking of how I sure wished you were here. But then I realized, as I pulled out your credit card, that in a way, you were. Thank you for sending me here, I love London, as it is a gorgeous city. I'll bring you back some Doc boots. They're really funky.

Stephanie

Hey, Mum:

I nearly got run over again today, (all the drivers go backwards here). Don't worry though, I'm fine. I keep all my money in my pocket, like you said, and I've stopped to talk to lots of strangers, as you suggested.

Home soon. Love, Dave
P.S. I am in a basement in West Ham, tied up, please send one million pounds asap.

Running(and Biking) for Terry Fox

Terry Fox's race is over. In fact, he never finished the course; none of us do. What is important is the running. What is important is to set goals. What is important is not to quit, not ever. What is important is to run well and honestly, with as much human grace as possible--not forgetting, too, to take joy in the running, to laugh at life's absurdities as well as weep at its cruelties.

1st XV RUGBY

As I think back on this past season, a host of recollections come to mind: Oliver's broken ankle, that ended a season almost before it started; the series of games where everyone from fly-half to centre spoke Japanese; the afternoon in late August when Dave Calder strolled onto A-1 in the middle of one of the Rugby Camp training sessions. A smiling Scott Dunlop was the next person I spotted. I knew what he was thinking. It was not just a case of what this team achieved, which in itself was impressive; it was also a case of how far they came during the course of the season.

Yuho Okada's XV may not have had the experience of some of their predecessors, but they made up for it in heart and determination. They were unbeaten in the last round of Independent Schools games, and the wins in

November on successive weekends against St. George's and Shawnigan capped a most successful season.

Yuho's magic at fly-half was ably supported by veterans from scrum half and Vice-Captain Andrew Dryden. But mention must be given to Tetsuro Nakatani who played at virtually every position in the backline during the course of the season, including his favoured position of scrum-half when Andrew had to leave the field.

By the end of the season, the pack was invincible. David Calder secured all the ball at the front of the line-out and in later games the control by the pack using a series of rolling mauls from one end of the field to the other was most impressive. Full marks to them all, and in particular to the three-season veteran and pack-leader, Sean Pidcock.

1st XV RUGBY

Played 9 Won 6 Lost 3

The 2nd XV had an equally impressive season and were also Independent School Champions. Several of them were called on to play for the 1st XV, acquitting themselves very well. The overall success of the squad this season was due, in no small way, to the depth of talent in the 2nd XV.

Brentwood Rugby has received a tremendous boost this year from my co-coach, Tony Medina. His commitment to the game and his ability to impart the wealth of knowledge he possesses is most impressive. I know that the players would want me to acknowledge Tony's enormous contribution.

Finally, to the entire squad, go my personal thanks for their commitment, loyalty and determination. Tony and I have greatly enjoyed the opportunity to work with you.

John Allpress

SECOND XV *Back:* Mr. Medina (coach), B. Lewis, T. Boyar, S. Pan, K. White, J. Weldon, B. Swift, C. Danard, I. Bishop, Mr. Allpress (coach) *Front:* M. Pronick, R. Pan, M. Hsu, P. Mathews, T. Wise, R. Steingard, T. Herschmiller.

B Group Rugby

A return of senior rugby into the fall term meant the much celebrated return to 'B' Group rugby. Cameron Wilton and I were given the responsibility of transforming 32 of the grade 11 and 12's into a hard hitting and fit Brentwood rugby team. We quickly realized from the results of our initial fitness and skills tests that we needed to spend many practice hours to bring the group up to par. The benefit of rugby over many other competitive games played in the school is that it allows boys of different body types to contribute equally to the team. I am pleased to say that the boys of 'B' group represented their school very well, and as coaches we were pleased to be associated with them all.

Initially after some encouraging practices full of Beniac conditioning and Wilton drills,

the team experienced two successive defeats at the hands of St. Georges and Shawnigan Lake School. The morale of the group was understandably lower; however, their attention and their work during practices produced two close games against a strong Dover Bay side and Brentwood's 2nd XV. The tempo of our practices from then on was certainly higher as each lad was looking towards playing the return matches against St. Georges and Shawnigan Lake. This tempo was certainly taken away when St. Georges forfeited their fixture, leaving the boys' two coaches scrambling around to find an additional game for the season.

It was not until their final game of the season when the boys played an exceptional game against Shawnigan to win a hard fought 7-5 victory. This win rep-

resented all of the qualities that the boys of B Group had shown throughout the season: these were persistence, team work, Brentwood spirit, and endeavouring to do things better.

Looking towards the future, I would like the grade 11s to take up the call next fall and lead the school's rugby programme. The grade twelves that leave this year, we wish you all the very best for the future and we trust that when the opportunity arises you will play the game again. I would like to thank my co-coach Cam Wilton, who apart from everything else translated my Australian phrases for the boys. Finally: we would like to thank Sean Fauth for his contribution to the group this term.

R.D. Beniac

THIRD XV *Back:* Mr. Wilton (coach), J. Lee, B. Wu, L. Widjaja, E. Mason, C. Storey, T. Goethals, R. Law, G. Seed, N. Everall, G. Cameron, B. Lee, J. Lourenco, R. Kiltz, Mr. Beniac, J. Suh, A. Chow, T. Yewchuk, M. Sanderson, G. Brown, P. Partridge, A. Yeung, T. Chearananta, D. Garbutt. *Front:* A. Hsu, J. Park, R. Kwong, I. Lun, C. Chung, J. Chang, J. Coleman, P. Wai.

COLT RUGBY

Back: Mr. Burrows (coach), S. Jien, L Ferreira, N. Coffman, D. Spankie, M. Keith-King, C. Ledesma, J. Goeritz, J. Hsu, W. Duguid, P. Kerr, Mr. McCarthy (coach)
Front: B. Connor, K. Moisey, K. Fuller, J. Amiel, T. Wish, J. Yang, A. Wray

Barely five minutes into the first match of the season, scrum half Lee Ferreira was carried off with a broken collar bone. Although the team rallied to beat St. George's,

we continued to miss Lee's experience and gutsy tackling throughout the rest of the season. A solid nucleus of talent was available, particularly in the pack where Amiel, Wray, and Moisey combined to make an effective front row. Wish, Yang and Duguid were mobile ball winners in the back row. Sandwiched in between,

Connor and Goeritz did their part and on a good day raised their game to make the forward unit the equal of any

other on the island. Our wins against S.M.U.S. and St. George's

at home and our close game against eventual Island champions S.L.S. were based on forward dominance and a steady supply of good balls to scrum half Fuller and fly-half Kerr. Both learning their positions from scratch this year, the half backs did well and by the end were making good decisions on a consistent basis.

**I.S.A. Record:
5 wins 3 losses**

In the centres, Peter Sloan and Dean Spankie showed promise and wings and full backs combined well, particularly against G.N.S., running in a number of excellent tries out wide.

Had more than one berth been available at the island tournament, I am sure this team would have acquitted themselves very well. My thanks to the players for their efforts throughout the season, particularly co-captains Tyler Wish and Jamie Amiel. Thanks, too, to co-coach Jim Burrows for his work with the forwards and for his efforts with the Colts group as a whole.

—D. McCarthy

Colt B Rugby

Back: Mr. Burrows (coach), P. Dacyk, B. Seaman, R. Hobson, S. Wall, L. Cooper, R. Nugent, R. Wood, E. Bensted, J. Meyer, J. Hennessy, Mr. McCarthy (coach)
Front: T. Pennells, P. Kenway, J. Russell, R. Whittington, R. Grimes, G. Schmidt, A. Vallejo, A. Bradley

As usual, the Colt B team saw new players introduced to the game with the help of experienced athletes who played last season. All the under-16 teams trained as one with the expectation that everyone would improve his basic skills and fitness each day. For most of the season players moved from team to team as their performances warranted promotion or when injuries made it a necessity.

The Colt B team tried to play an expansive style based on a mobile back row and considerable speed and flair outside the scrum. Paul Kenway, Jory Russell and the wingers combined for many exciting tries.

The forward pack was light but were rarely outplayed. Tom Pennells and James Hennessy were rock-solid props while Gavin Schmidt's fast strike in the scrum provided lots of ball for the backs to run with. In

the line-out, Rob Nugent and Ryan Hobson caught the ball well while the back row of Sean Wall, Rory Wood and Eric Bensted were the epitome of mobility and aggression. Each scored crucial tries to win games and they terrorized opponent's back lines.

The season began with a ragged, if spirited, win at St. George's thanks to a last-minute crashover by Rory Wood. This was followed by a lesson in cohesive rugby at the hands of SMUS at home. This "wake-up call" did the trick, spurring the lads to improve faster to be ready for the return match. Moving Rich Whittington to stand-off steadied the kicking game while Jay Meyer at inside centre moved the ball fast and tackled very solidly. The next tough win was at Shawnigan 17-12, followed by another win over St. George's at home. The re-match with SMUS

lived up to its billing and was not decided until the last few minutes when Pat Dacyk broke free and ran 65 metres to score under the posts! The season finale was with a physical Shawnigan side. In a tough contest, we scored four times in the first half, then lost Richard and held on for a 22-12 win.

I should like to commend the team for its work ethic in training and its immense competitive heart. In most games they simply would not permit larger, more talented opponents to gain the upper hand. Much credit for this "triumph of the will" must go to the leadership and example provided by Sean Wall and Richard Whittington in moments of crisis. This was a Colt B team in the finest tradition of Brentwood rugby. I hope to see many of these players on the senior rugby teams next September.

—Mr. J. Burrows

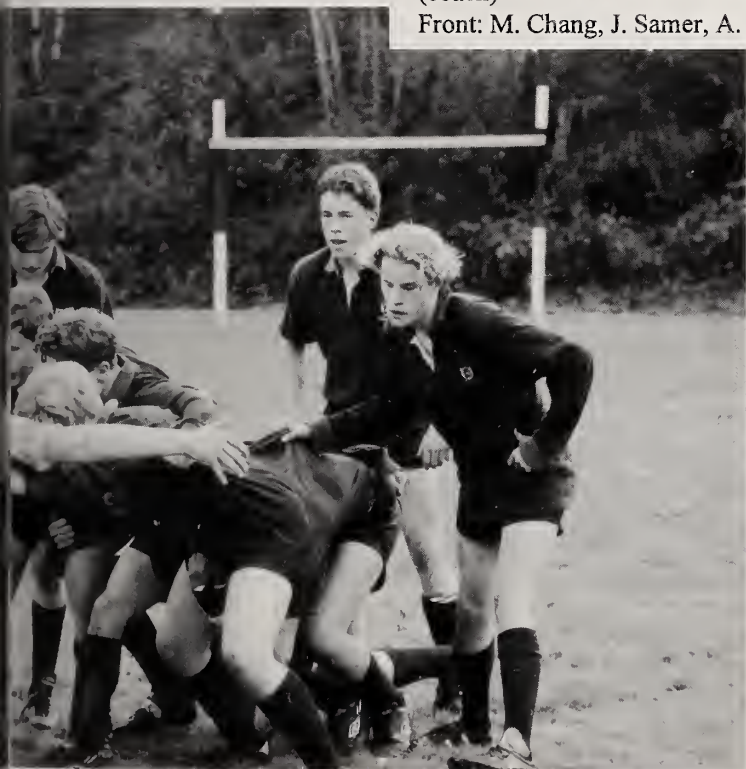

Colt C Rugby

It is said that the pain of training lasts a day but the pain of losing lasts a lifetime. Well, losing is something the C's just did not do; come to think of it they did not do much training either.

People have inquired as to what has been the key to the Colt Cs' success. The key is in the determination, commitment and love that each and every last one of the Colt C's gave throughout a season that I hope they will remember for a long time to come.

—Mr. C. Ronan

Editor's note: Some credit for the Colt Cs' winning season must go to their modest coach who inspired in his players a love for the game and a sense of fun. Mr. Ronan was only with us for a term before heading off to missionary work. The impact he had on the school was evident when he received a standing ovation at the Christmas Assembly at the end of term.

Jr. Colts Rugby

Mark Walker's speech at the Rugby Dinner

I was asked to write a speech about the tremendous promise of the Jr. Colts' season. It took me a while, but I finally concluded that next year we will all be taking Rambling.

Our coach, Mr. Lynn, is a very patient man but as the season progressed he developed a flaming vein in his forehead and occasionally foamed at the mouth. I am now sure that we are the cause of his rapid loss of hair. Our record was an amazing three wins and more than three losses. We learned a lot during the season, especially when Mr. Prowse demonstrated the proper way to rip a ball. In doing this he managed to break and dislocate his finger, then took off yelping to the other side of the field. Mr. Keaney, who looks like a kitchen appliance from the side, led the B's to many victories over the season. His football-like approach to rugby helped every player in conditioning. The season got better for both teams as we came to the end, when we came a respectable second place in the Mid-Island Tournament. There are a few great players that I would like to recognize on both teams. These are:

- * Ivan Mendenhall, for captaining the B's and showing great leadership
- * Chris Godfrey, for playing really well on the B's and the A's
- * Christian Jones, for scoring five tries in one game against Shaw on the A's
- * James Wood, for making good contact and always showing verbal support
- * Mike Persson, for always saving the ball and performing well in all positions
- * Phil Weston and Thano Gatzionis, for always contributing in the scrum
- * Kaleem Manji, for captaining the scrum in the eight-man position
- * Hyun-Jun Cho, for his excellent tackling and speed with the ball
- * Armando Busto-Iturbide, for his crashing and running with the ball if he could catch it

The team would like to thank Porter Stroble for coming up from the Mice and helping the team in the stand-off position. On behalf of all the grade 9 rugby players, I would like to thank Mr. Linn, Mr. Keaney, and Mr. Prowse. See you all at the Climbing Wall.

SENIOR A GIRLS' VOLLEYBALL

SR VOLLEYBALL: BACK: M. Stone, S. Bailey, M. Dickens, L. Kingsbury, M. Brown, L. Weeks. FRONT: J. Montani, N. Hoehne, R. Watson, Mr. Khanna (coach), S. Nichols, N. Frangou, S. Baker.

The end of summer meant another season of girls' volleyball and yet another training camp. The end of August brought with it the grimaces of pain and the shouts of frustration as another arduous camp had begun. Every year they seem to get just that much easier. I think I'm getting soft in my old age. The regular fun stuff was still there: a little bit of motoring, a few push-ups, some sit-ups, a lot of running and, wow, tons of volleyball. We were even lucky enough to have Jill O'Bourne, a University of Alberta star, come and help us out for a day. Coincidence would have it that she was lucky enough to sit beside Nicole Frangou on the plane to Victoria. Nicole told her to come up and the rest was history.

This was a season like no other in recent memory. There were eight grade 12 players on the team, good for this year - lously for next year. Led by Captain Rosanna Watson and able Assistant Sarah Nichols, the team

quickly gelled together. New addition Megan Dickens from Comox was welcome on the power side (or when we needed an extra setter).

Unfortunately I was a little ill when the ISA tournament rolled around at the end of September and so Mr. Johnston was kind enough to step in and carry the team. We were led by a young Grade 10 setter, Lydia Kingsbury, who was quickly learning the ropes. Unfortunately all did not go as planned and we ended up in fifth place by virtue of a tie-breaker. It was back to the gym and some re-working.

Next came the always popular UBC tournament. We went in with high hopes and quickly started to realize some of them. We managed to split our games in the round robin and made the very competitive D pool. Here we faced stiff competition from some AAA schools as well as some strong out of province teams. We lost out in two games but the level we had

reached was better than any previous Brentwood team.

It was apparent that it was all starting to come together - just in time for the big Independent Schools' tournament in the thriving metropolis of Gravelbourg, Saskatchewan. We were greeted as usual with tremendous hospitality and friendship. It was Nicole Frangou's former school so we felt as if we were among old friends.

The tournament began slowly for us with a difficult three game win over one of the weaker teams. From there on it came together. We managed to win all of our round robin matches to finish first going into the playoffs. Unfortunately we also lost Megan Dickens to a "broken" ankle in the last match which certainly hurt our chances. We lost our semi-final match as well as our third place match to finish a very respectable fourth.

We returned to Brentwood only to be thrust into the North Island playdowns. Here again we

Above: Mr. Johnston, subbing as coach, addresses the troops.

A short respite for the girls before action resumes.

Lydia, Rosi and Nadine in action against S.M.U. The red line prepares to play defence at the net.

Above: Nadine Hoehne follows through on a spike, showing good form to coach Khanna.

played well beating many of the strong North Island schools to finish third and earn ourselves a berth to the AA Island playdowns. This in itself was an accomplishment considering the size of some of the schools we were playing against. We played valiantly at Islands but finished eighth. Rosanna Watson was named to the all star team.

It was once again a successful season of volleyball. Rosanna Watson was huge in the middle and always a force to be reckoned with. Lydia Kingsbury was our only player to play every minute of every game this season. Jaime Montani, Megan Dickens, and Sarah Nichols provided a solid

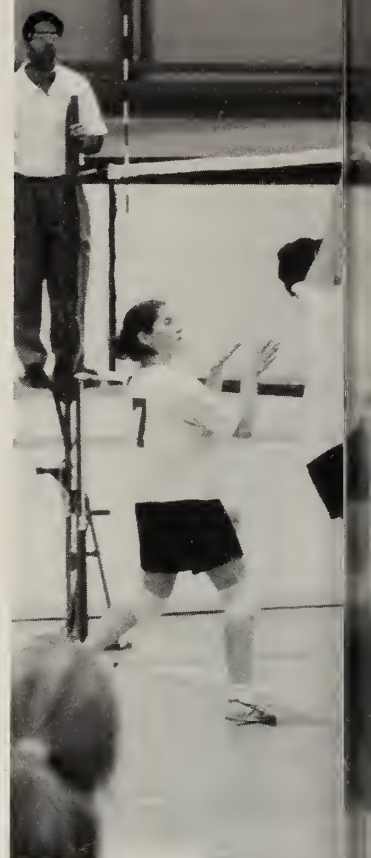

power attack as well as stalwart defence. Lorna Weeks had a tremendous serve while Maureen Brown and Sarah Baker were both strong on the right side. Megan Stone, Nadine Hoehne and Nicole Frangou all provided strong support in the middle. They were a supportive bench that could be called upon at any time.

Captain Rosanna Watson led a formidable crew into battle with her vision of togetherness and strength. She should be proud. I have, as always, loved it!! I cannot wait to start all over next year.

S. Khanna

A Word from our Captain:

Hard work, laughter, and a few tears bonded this years Jr. "A" volleyball team; creating friendships and rewarding results. Our team entered the Mid-Islands confidently after having been practically undefeated all season; despite 3 ties and only one loss in a close, tear-jerking game. The Mid-Island triumph stirred hopes and bonded our team even more tightly. After another round of hard practices, bumps, bruises, and patience, we entered the islands with a positive attitude despite the loss of a key player, Veronika, because of a broken ankle. However, no fairy tale ending capped off our experience at the Islands. We did live happily-ever-after, but things didn't go as we had planned or hoped. We discovered true competition and also learned that volleyball isn't only about winning.

-Candice Albach

1st XI Boys' Field Hockey, Back: A. Vallejo, L. Ferreira, N. Masters, E. Mason, R. Wood, M. Woodward, T. Suzuki, A. Palmer, Mr. H. Martin (coach). **Front:** J. Lee, C. Vallejo, L. Ledesma, J. Ferreira, M. Walker, B. Rees, E. Manning.

The sports programme at Brentwood seems to have as much choice and variety of activities as the Olympic Games in Atlanta. Yet despite the spreading of students over a wide spectrum of sports and other pursuits field hockey still maintains its popularity. Certainly at the senior level (Grades 10-12) the numbers and the skill level were high. We would welcome more junior boys into the programme, though, if the sport is to remain strong in the school.

The nature of the opposition determined the make-up of our competitive teams. St. George's, the high schools in Cowichan and Chemainus, and a Victoria boys' team provided good opposition for our 1st XV while boys, girls and mixed elevens in the Cowichan District played against our 2nd XI and our junior teams. All the games were exhibition. No league format exists and so the emphasis is on enjoyment and learning the game at the junior level. Certainly these goals are achieved.

During the course of the season several boys and girls have trialled for regional and provincial teams. Jeremy Ferreira and Mason Walker were selected for the B.C. U-18 while Nicky Gosling and Rebecca Kinkead made their mark at the U-16 Island level. Three teams visited us but, unfortunately, all came after the end of term. Consequently our day students joined with other local players to provide teams to play against Whangarei from New Zealand (boys), Elizabeth College from U.K. (boys) and Organje Dames from Belgium (girls). The establishment of field hockey at Brentwood and in the local area seems to attract more and more visitors from around the world. We fare well against them because we play on grass unlike most of the tourists who play almost always on astro-turf.

Our very own astro-turf field (water based) remains in the minds and the planning of some.

1st XI GIRLS RECORD

Played	Won	Lost	Tied	Goals For	Goals Against
41	24	12	5	52	29

"Where's Brentwood? We can't see them," I was constantly asked at the U.B.C. tournament which opened our season in mid-September. Scanning their eyes across six fields, no one could see the familiar black skirts and red shirts. We are normally easily recognized from afar, feared (some years?) and recognized as always being there. This day we played in white shirts and simply blended in with, perhaps, ten other schools. Garibaldi and his Redshirts conquered a nation. We must learn from history and never again discard our colours.

Unfortunately, Garibaldi achieved more success in the last century than did our first eleven in 1995. Our opponents were probably more formidable, particularly our local rivals from Cowichan Senior Secondary School. Our sharpshooters often seemed to let their gunpowder get wet; we were not especially adept at finding gaps in the enemy lines and striking hard at the target. Our skills and level of fitness were generally good but goals

were hard to come by. We failed to score in 16 of our games (compared with four in 1993).

It was not, however, a disappointing season. We knew our forward line lacked experience and that we would not be able to overwhelm the kind of teams we were up against at the "AAA" schools level. Kathryn Edwards, very new to the game and only in grade ten, led the scoring with 15 goals, Sue Gosling (9) and Alison Taylor (8) followed, even though they were both midfield players.

The first eleven played 41 games in '95, a record number. The expansion of our North Island league, the growth of teams entering the tournaments and the visits of touring teams from George Watson's, Edinburgh (we lost 2-0) and King's Hospital, Dublin (we won 2-0) explain the incredible total of games played between mid-September and mid-November. Our overall achievements are summarized below:

U.B.C. Tournament: 6th of 24.
Bridgman Cup: 4th of 12.

ISA Tournament: 1st (shared with S.M.U.S.) of 8.
North Island League: 2nd of 6.
Vancouver Island Tournament: 4th of 8, qualified for provincials.
B.C. "AAA" Tournament: 9th of 16 (won consolation trophy with 4 wins, 2 losses).

There are close to 60 AAA schools playing field hockey in this province. We proved ourselves to be in the top ten.

Carla Smith (captain) was a strong leader who dwelt on the positive and helped draw out the best from the team. Emily Manning (vice-captain and goal-keeper) played with emotion and enthusiasm, as did Marlena McLeod. All three have served the school on the hockey pitch since grade eight, as has Esther Mackinnon, the youngest of three sisters who all made valuable contributions to our junior and senior teams. Other grade 12s who gave it their all for varying lengths of time were Jessica Hicks, an exciting and colourful

Alison shows her form.

FIRST XI FIELD HOCKEY

Emily poised for action.

Jess is in search of a goal.

Sue chips the ball away.

Below: Sue and Al wait for a short flick. Above: Dana and Jennifer team up.

winger, Barbara Kerr, Jo Livingstone and Ellisha Kamell.

Lana Trojan missed the season because of the injury to her knee. She was truly missed. Her presence could have made a significant difference to our playing record. As coach and constant spectator of the first eleven I must single out Alison Taylor and Sue Gosling as the players who made the team tick. Both are strong, competitive and among the top players in the province at their age level.

The grade 10s, Rebecca Whitney and Kathryn Edwards, and the grade 11s Dana Dickinson, Amber Palmer, Jen Allard and Jennifer MacLean, will be the backbone of the 1996 team. Amber gave some exceptional performances this year while the others grew better and wiser from their 1995 experiences.

The senior house tournament was played in the usual monsoon conditions on field surfaces more suited for the cultivation of rice! Out of the paddy fields Whittall (those who wear red shirts!) emerged as champions, followed in order by Privett, Rogers and Ellis. How far away, I wonder, are we from building our own astro-turf surface? The cost is high, but the rewards may be higher.

The death of Mr. John Ferreira in February meant the loss of a close friend to me, to all the students at Brentwood and to the local and provincial community who are associated with field hockey. John played the game, and coached the Cowichan Senior School to three provincial championships in the last four years. He was a man who truly had the common touch. He knew everyone, he liked everyone, he liked what he did and we all loved and respected him in return. He is greatly missed. *H.J. Martin*

SECOND XI FIELD HOCKEY

Second XI Field Hockey

Back- M.Richters, J.Recalma, C.Harris, A.Mitchell, J.Garrett, A.Murphy, J.Twiss, M.Patterson
*Front-*Ms.Peters (coach), E.Hackett, J.Wright, A.Sacks, C.Todd, J. Gallagher

The 2nd XI's had a successful season this year. Even though we were not in a competitive league, we managed to play against many different schools in exhibition games. Throughout the season, the girls steadily improved in their skills, unity and spirit. Despite the fact that the team was plagued with various injuries (anything from stitches to copious bruises) we persevered and battled our way to many victories. Some of the more memorable injuries were initiated through the strong leadership of our team captain, Mariska

Richters, who started the trend with a stick across the knee cap in the first game of a major tournament. With stitches as a result, she was forced to lead the team from the side lines.

As the season progressed, we were having difficulties putting the ball into our opposition's goal. After many technical and strategic failures I was forced to use my secret weapon...slurpee bribes. Yes, when all else has failed, offer the goal scorers of the day a slurpee for every goal. Needless to say, once these "incentives" had been introduced we

were finishing off our opposition by scores such as 8-1. I would like to congratulate the team on a very successful season together. We had a lot of fun and learned a great deal over the course of the term. Special recognition is extended to Megan Patterson and Jocelyn Gallagher for receiving their Intermediate Colours for 1995. Well done, team, and thank you for a memorable first season of field hockey.

Nicole Peters

Megan is determined to make a good shot.

Adele outwits

Good hit Mariska!

Adele follows Drie up the field.

THIRD XI FIELD HOCKEY

Third XI Field Hockey

Back- Mr. Wynne (coach), Y.Fukushima, K.Corcoran, D.Gatzionis, N.Nakai, M.Jones, J.Gregory, N.Kiernan, K.Wilcox.

Front- S.Turner, T.Homes, S.Lewis, M.Lang, H.Maxwell, M.Elwick, L.Brown.

Mrs. Ferreira!

As always this was a development group with several players who were entirely new to the game and others who were working on their skills for a year or two. We were fortunate to be built into the Junior League so we had lots of competition throughout the season. So developed is the game at the junior level in the Cowichan Valley that we faced very young teams with impressive stick skills and game strategies.

Karen Wilcox was perhaps the most improved player since last year but Tara Holmes and

Jacqueline Gregory were not far behind. Among the newcomers Meagan Lang displayed lots of aggression, Yumiko Fukushima lots of heart and Kylie Corcoran lots of determination. Lucy Brown was an excellent goal-tender and we would have lost games without Margot Elwick. Sarah Turner and Natasha Kiernan. Hilary Maxwell and Megan Jones never gave up and Su Lin Lewis could be our secret weapon next year.

Thanks for the memories girls.

R.S. Wynne

Jr. A Field Hockey

Back row: C. Marko, S. Hsu, L. MacLean, H. Mills, L. Garvey, C. Rezac, K. Annable, J. Freedman, Mrs. Ferreira (coach). *Front row:* A. Lockwood, A. Walker, K. Mills, R. Foster, N. Gosling, C. Livingstone, R. Kinhead.

The Girls' Junior A Field Hockey team this year consisted of 15 determined grade 9 and 10 players. We had a large variety of skill and experience in the team; all excelled in different areas: offence, defence, team work, team support or singing!?!

We began our season with a 7-0 victory over Bonner. We then travelled to Burnaby to compete in our first tournament, playing well together to a 2nd place finish. Our next tournament was the ISA's, hosted by Brentwood. We won 3 games and lost 2, resulting in a 2nd place finish after winning a shoot-out to S.M.U.

The season continued and competition was getting tougher as we approached the Mid-Islands. In this tournament we lost Rebecca Kinhead to a broken arm which put her out for the remainder of the season. Even with the loss of a valuable player we succeeded in completing the tournament in 4th place, just qualifying us for the Islands. We travelled to Port Alberni for a 2-day tournament. The weather was cold but the team showed lots of spirit and were not shy to voice themselves. We faced some very tough teams but never gave up fighting, finishing seventh on the Island.

Behind this successful team was a very patient coach. Mrs. Ferreira did an outstanding job this year; not only did she bear with our wild skills and interesting singing, she managed to control and teach us, which at times was virtually impossible. Congratulations on surviving and creating this wonderful team, Mrs. Ferreira. The team had a very supportive and helpful captain, Nicky, and vice-captain, Angela.

Jr. B Field Hockey

Back row: A. Abramovich, S. Liu, C. Laurie, J. Norris, L. Brown, A. Mackenzie, E. Effa, (coach) Mrs. Linn.

Front row: H. Hoesli, B. Raphael, M. Langdon-Wilkins, S. Ezzat, C. Manning, S. Amezcua, K. Love.

During our short season the Junior Midget team showed tremendous determination and enthusiasm throughout all the good and bad times! The girls, mainly in experienced players combined with some more experienced, were quick to learn or review basic skills and game tactics. In no time we had our first game, then launched into a hectic Midget and Junior League schedule. We realised that we would have very little time for practice, so the pressure was on! We acquired plenty of match experience in school games twice a week against Mt. Prevost, Queen of Angels, Quamichan, George Bonner, Queen Margarets and Shawnigan.

During this period we were invited to take part in the Junior I.S.A. Tournament which proved to be an interesting learning experience. The team gained much from participating in this event. The season came to a close after the team took part in the Midget Tournament which was held at the Shawnigan Lake School.

I would like to thank the group. In particular, I should make special mention of the following: Sara Ezzat to whom we are greatly indebted for goalkeeping and who did a fine job and Karis Love, whose forward, attacking play improved greatly. To all the beginners who I hope will continue to play and enjoy field hockey while here at Brentwood - well done! F. Linn

The Jr B team before a big tournament in Shawnigan.

Sr. Boys Basketball

SR BOYS' BASKETBALL:

Back: R. Pan, G. Minhas, J. Herschmiller, E. Mason, N. Kurosu. *Front:* Mr. Henry (coach), I. Bishop, G. Brown, K. Tmana, T. Chearananta.

Viewing this year's edition of the Senior Boys Basketball team from the stands rather than the coach's chair was an interesting experience. I am not sure whether it qualifies me to write the summary for the season, however, since the coach is in P.E.I. and the captain at Henley, I will, humbly, leap into the breach.

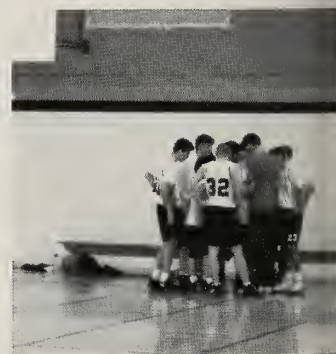

Mr. Henry took over the coaching reins with great fire and enthusiasm, having attended a high power coaching clinic in the U.S. He installed a new offence and had the boys playing inspired defence. However, as all coaches know, tactics do not put the ball through the hoop. Apart from Natsuki and intermittent bursts from Ian and Tom there was a lack of consistent scoring. This showed in league play and tournaments as the team found it difficult to hold leads, especially when they grew tired on defence.

Despite the poor point production, the team was beginning to gel as the Island Tournament rolled around. Then disaster struck! A combination of illness, absence and suspension made it impossible to field a playoff team. This was an unfortunate ending to a promising season, but the grade elevens played third term basketball in the run and gun league and had encouraging results.

We wish the graduating seniors good luck in their future basketball and expect great things from the returning grade elevens. Mr. Johnston will be taking over the team and will be starting practice early next season.
SMC

Last-second heroics

As the final buzzer sounded, the basketball swished through the net, leading the Junior Girls to another victory. The crowd cheered as they were released from a grip of pure terror. Too many times the girls had left their victory to the final seconds of the game. This habit was starting to take a toll on their ever-eager parents. The girls sat patiently on the cold gym floor breathing heavily and anticipating their much-deserved first place trophy. They had done it; the junior girls had won their very first I.S.A. trophy!

Carey Livingstone and Lauren Brown were an integral part of the junior basketball team. With the guidance of our illustrious couch, Ms. Walker, we slaved for days on end, struggling through her national-calibre practices. Our practices were short, but being the optimists that we are, we never complained to Mr. Johnston about his being sexist. But when one is a junior those are the breaks.

Our season was full of ups and downs. We lost a few games, but we always bounced back with a victory. This may have had something to do with our timely practices, but through our mind's eye, we never lost sight of the prize. The Mid-Island Tournament was definitely in our sights. We played hard and wild against every team they could throw at us, but unfortunately we were missing players because of sickness and injuries. That did not kill our fighting spirit, but spirit was not enough to carry us on to victory. We were exhausted but happy that we gave it our best shot.

The team should be proud of a job well done. No matter what the obstacles were we never gave up hope. The things we should remember most are the great times we had, especially the tournaments away from Brentwood and all the mischief we got into.

In the Move: Carey Livingstone leads a rush up the floor in guest appearance for the senior girls at the Island Tournament. Fellow junior star Lauren Brown is also in on the rush.

Back: M. Dickens, N. Frangou, R. Watson, A. Taylor, L. Kingsbury, M. Stone, J. Garrett, B. Longstaffe
Front: S. Gosling, L. Brown, A. Palmer, C. Livingstone, V. Voracek

Bright red new uniforms and a multitude of experienced players brought a fresh start for the 1996 Senior girls basketball team. We started the season off at our ISA tournament in Victoria, which led us to a dead end of stormy weather—stranded in a bus on the Malahat. With all our games and tournaments nearby, we kept challenging our rivals. Mr. Ogilvie, our main man, kept us going through the tough times (not to mention the good times), celebrated at Dairy Queen. He never let up on us and always had wistful words of advice: “Get out there and get that witch!” We would like to thank Mr. O for putting up with all the girls, all the years. It’s a tough job, but somebody’s gotta do it. Mr. O will be leaving us to coach the Vancouver Grizzlies—we wish him all the best in trying to get his new team to perform as well as the Girls Senior Basketball team of 1996.

A special thanks to Dairy Queen for their generous sponsorship.

—Megan Dickens & Nicole Frangou

JR "A" BOYS BASKETBALL

Front: Coach Johnston,
E. Bensted, N. Thran, R. Wu,
J. Hsu, R. Kwong, A. Hoshi
Rear: J. Yang, P. Weston,
L. Cooper, R. Nugent, M.
Keith-King, P. Sloan.

Our team this year was full of surprises! From our somewhat reedy, unmotivated beginnings, the team grew in character and by late season had gelled into a strong unit. During the pre-season, our record was 3 wins, 2 losses and 1 tie. We also competed in the Stag Invitational at Shawnigan Lake School, where we went 2 and 2. Games in the pre-season were not always close, and sometimes frustrating, but after these games we had a better feeling for what the competition in our league would be like. By the time the regular season rolled around we trained doubly hard to improve our level of play. The most improved player undoubtedly was Rob Nugent. From a somewhat timid player, "Nuge" developed into a hungry rebounding and swatting machine, and a big asset to the team. Others who also improved were Ray Kwong; Jones Hsu; Pete Sloan, who added his Salt Spring style to the game; Nick Thran, who had the threes when we needed them; and Atsushi Hoshi who developed a great shot. The rookies, Owen Madrick and Phil Weston also contributed much to the team, and Phil became our four-man on the starting five. The rest of the starting five consisted of Robin Wu at point guard and all-star at the Mid-Islands, who also co-captained with Max Keith-King, the three-man. Then there was Atsushi at two-man and Nuge at center. One player who would have been starting, was John Yang, but he was injured early in the season and had to sit out for the rest of the year. These were the players that made our 7-0 season possible. That's right, we went undefeated for the first time in Brentwood history! The biggest highlight of the year was our amazing home court victory against Cowichan Secondary (53-49) which was also a first in Brentwood history. After our flawless season it was time for the Mid-Island where we knew we would meet our dreaded foe Cowichan Secondary in the final. We went 2-1 in that tournament getting second place, (Cowichan had a lucky night). We would like to thank our coach, Mr. Johnston, who taught us that basketball games are won with heart, and taught us to believe in ourselves. Thanks for being a great coach Mr. J, from all of us.

-Max Keith-King

GRADE EIGHT BASKETBALL: Back: M. Woodward, M. Lewis, K. Garvey, M. Mann.
Front: Mr. Cowie (coach), G. Woernle, C. Wish, P. Stroble, C. Crooks, B. Ko.

For the first time in modern history Brentwood had a grade eight team which played in the local league. We were fortunate to have some very talented athletes and the enthusiasm for the game was there from the first five o'clock practice (on a Fine Arts afternoon). Led by captain and top scorer Porter Stroble we went through league play with only one loss, to Quamichan by one point. There were other close calls, such as the game against Chemainus when, already missing two starters, both of our guards fouled out and no one wanted to bring the ball up the court. Luckily forwards Kevin Garvey and Colter Wish took over and we scored the winning basket with only seconds left.

In the playoffs we made the final only to lose to a very big and experienced Quamichan team. Still our inaugural season was a great success and will justify having a grade eight team every year.

I thank the players for their great effort and look forward to next season.

SMC

MEMORABLE QUOTES OF THE APOCRYPHAL NATURE:

- "Hey, we're better than the Junior B's - we've got plays."
Colter "SSS" Wish
- "Okay I'll pass the ball, but they'll probably miss their shots anyway."
Porter "the Franchise" Stroble
- "You mean the object is not to shoot it as hard as I can?"
Mike "Cannonball" Lewis
- "I didn't shoot with three seconds left when we were behind because Porter is a better shooter than I am."
Kevin "the Thinker" Garvey
- "I'll play any position! ...You want me to play point guard?... No I don't want to play point guard."
Brandon "One Hand" Ko
- "Slow down when I go in for a lay-up, why would I want to do that?"
Georg "Wheels" Woernle
- "My speed is deceptive."
Matt "the Iceman" Mann
- "It was worth taking a foul - I got on the scoresheet."
Mark "Splinters" Collinson
- "Yup, I meant to do that."
Craig "the Hook" Crooks
- "It's only a broken arm - I can play."
Jeremy "Iron Man" Pollard
- "My knee can pop out anytime but I'm all right to play."
Michael "Wounded Knee" Woodward
- "What am I doing, drawing up all these elaborate plays during a time out? This is grade eight basketball; just get it and shoot it!"
Coach Cowie

SWIMMING

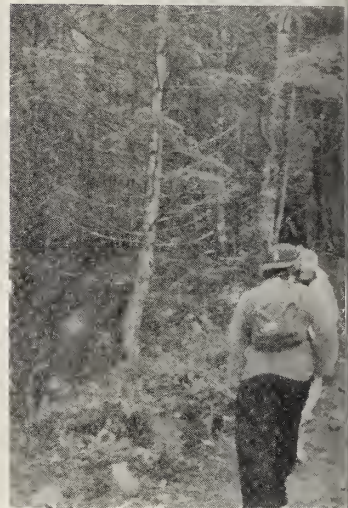

FIRST TERM SWIMMING: *Back:* Mr. Dyke, B. Rees, K. Cathers, G. Myrfield, M. Grace, C. Fuller, A. Dembicki, R. Osler, J. Moller, J. Rossi, K. Bruce, D. Scott, M. Hodgson. *Front:* S. Toole, G. Karau, H. Fletcher, L. Wickland, L. Aris, M. Rusconi, S. Meyer.

THIRD TERM SWIMMING: *Back:* Miss Peters, Z. Chan, T. Wise, N. Frangou, A. Dembicki, M. Langdon-Wilkins, M. Moore, K. Burkmar, R. Wu, R. Kwong. *Front:* R. Yao, R. Wong, M. Sanderson, J. Chong, M. Martell, L. Trojan, A. Hirahata, S. Turner, A. Abramovich, A. Mackenzie, C. Livingstone, H. Maxwell, L. Pickles, L. Garvey.

The swimming group worked on stroke improvement and fitness. The swimming pool was also a valuable part of the sports rehabilitation programme.

TRIATHLON

Doug Scott brings it home.

Jenny Rossi finishing a gruelling run.

This year saw the largest ever enrollment in the program with 25 in second term and 22 in third term. The students competed at U.B.C. in March and Comox, North Shore, Panorama and Qualicum triathlons in the third term. Outstanding performers were Nigel David, Doug Scott and Richard Grimes on the male side and for the females Lorna Weeks and Jen MacLean. Special mention goes to Leigh Aris who raced 3 triathlons with a broken back (a snowboarding injury).

It was an excellent year. The training was the toughest to date, yet a level of fun was maintained throughout. The students raced at the top of their respective age groups within B.C.

Rob Dyke

Above: The Triathlon group on top of Mt. Finlayson after a major fitness hike. The incredible closeness and spirit in the group is obvious.

KIBITZING TRIATHLETES: D. Partridge, J. Remai, D. Holmes, A. Avolio, J. Rossi, E. Mackinnon, H. Fletcher, Mr. Dyke, C. Reti, C. Albach, L. Weeks, R. Grimes.

CROSS COUNTRY: *Back:* Mr. Wynne (coach), J. Livingstone, T. Geothals, G. Seed, M. Sanderson, R. Wong, A. Cheung. *Front:* N. Hoehne, S. Nichols, T. Holmes, K. Wilcox, A. Murray.

To help with the writing of this report I asked the students involved with the cross country group to answer four questions. Firstly, what was your favorite run or runs? The favorite trails were Long Beach, Elk and Beaver Lakes, the Esquimalt-Clover Point run and finally what we affectionately call "Vietnam". Secondly, I asked the students to make up some awards and state the winner of each. Here, Mr. Wynne's super hound Hoover, won the 'smelliest runner' and the fewest complaints' awards. In the fastest runner category, honorable mention was given to Sarah Nichols, Theo Goethals, Mike Hsu and Chris Storey. 'The most words said on a run' goes to Adam Murray by a long shot. Rex Wong won the "fewest words said on a run", on the bus and, in fact, all term; however,

Rex also takes the Beniac 'Most Improved Award'. In the "losing their way" category there were two clear winners, firstly Mike Hsu and then Mr. Beniac. The next question asked was, were there any memorable quotes? There were several: "I just kept running", Mke Hsu (Whitty's Lagoon); "It's a Mr. Wynne Mile", Mr. Beniac; "I'm tired!", Adam Murray; "faster, girls". Mr. Wynne; "Oh dear!", Sarah Nichols; "Mr. Wynne, remember I told you those miles that I ran the other day."; Chris Storey; "I love this run!"; Jason Remai (on the breakwater); "I'm positive that my counter is correct." Griffin Seed; "Where's Tets?", Everyone. The final question was simply to write down any other event or incidents that happened during the term. These included: Jo Livingstone and Chris Storey at-

tracting wild dogs, getting stuck in Victoria because of snow on the Malahat, the bear tracks on the Elk Lake trail, and finally it seemed that Long Beach met with universal approval.

If you had to run 200 miles there is no better running than over the trails that the cross country group covered this year. Mr. Wynne and I were very fortunate to have a great group of students who, despite some of the worst flus in the school's history and some of the worst west coast weather, tackled each trail with enthusiasm. Mr. Wynne had the pleasure of awarding the 200 Miles badges to Mike Hsu, Sarah Nichols, Griffin Seed, Theo Goethals and Tara Holmes, and we offer our congratulations to them all.

The highlight of the term would have to be the trip up to

Long Beach. We were joined by Mr. Wynne's daughter Andrea and her fiancée, Jonathan. We were blessed with some wonderful weather and perfect conditions to complete the required trails. With the first day of running complete the students settled down to a steak and crab feast, which was enjoyed by everyone. After this wonderful meal a fire was arranged on the beach and we were all entertained by Jonathan and his guitar. So while some sang, others roasted marshmallows and simply enjoyed the evening.

This has been my second year with the cross country group and I thoroughly enjoyed the term. On behalf of Mr. Wynne and his super hound, Hoover, I would like to thank all of the students who participated this year.

R.D. Beniac

GOLF

GOLF '96

THE COMPETITIVE TEAM: *Back:* Mr. Cowie (coach), J. Benton, C. Martin, A. Beruschi, T. Siepe, Mr. Garvey (coach). *Front:* J. Russell, M. Baker, P. Dacyk.

"It only looks easy"

Each year with new golfers
The keenness is plain
But the sweetest of pleasure
Is oft mixed with pain.

Our phenom was Jory
His handicap one
But in the Rob Soukop
His first round was not fun.

He was led by Chris Martin,
When on 18 he found,
He'd belted two tee shots
In the range out of bounds.

Still, he overtook Chris,
Who fell in a swoon
And was passed too by Jonah
Full Afro in bloom.

You see golf has a habit
Of making us humble
E'en the best of our players
Under pressure may crumble.

But perhaps there's a secret
Known only by Siepe,
Thorsten blocks out the "yips"
By dreaming of "Subway".

In the pack were the young guns
Goethals, Dacyk and Yao
who longed to get birdies,
But couldn't figure out how.

Even more green were the rookies:
Gavin, Johnny and Max
Who were happy to practice
Or go out for some hacks.

I should single out Daniel
Fuenzalida by name
Who was hardly an expert
but talked a mean game.

Or with classical style
Our sax player...Oh
If his woods were like woodwinds
He'd be a real pro.

We can't forget Stephanie
Who in one game showed form
But preferred to go sailing
When the weather got warm.

Malcolm Baker had promise
With his supple backswing
He'd no problems with distance
But direction's the thing.

On the other hand Georg,
Could always hit straight
But its hard to reach greens
When you're only Grade eight.

We had a wet time of it
In rain, mud and mire
But did we think of quitting
No! Too much desire.

We played in some tournaments
Like Eaglecrest and Alberni
And found the experiences
Well worth the journey.

At Cordova and Qualicum
Our team finished second
And Jory had low score -
Just lucky, we reckoned.

But at the North Island
Our lucky string broke,
As we missed qualifying
By only a stroke.

Thanks too coach Garvey
And guest players like Beruschi,
Who know how hard golf is
Though some think our job cushy.

It's a tough task golf coaching,
But we must soldier through it,
As we tell other teachers
Someone's got to do it!

SAILING: *Back:* Mr. Lironi, J. Donnelly, S. Webber, G. Hollingworth, B. Seaman, C. Bradley, M. Stone, J. Livingstone, D. Huk, K. Sabo. *Front:* R. Pan, S. Quist, C. Schnurr, A. Payne.

SAILING

This year the Sailing Club made two major decisions involving changes in philosophy and practice. The first philosophical change was to re-establish the club as a purely competitive racing entity, and second was to involve every single member in as much competition as possible. The reason for these changes were that we had found our attempts to respond to the wishes of those who wanted just recreational sailing, or skill training only, or racing above all, had simply succeeded in fragmenting our small club and denying us the benefit of the talents of some gifted sailors.

As a result we have had a mixed year in terms of results. Our top sailors have done extremely well, but those who were thrust, with only very basic training, into some fairly stiff competition, fared much as expected. As for morale, it had probably never been higher. Win or lose the club as a group has never been more cohesive. For this we are indebted to Jo Livingstone, our captain. She agreed wholeheartedly to make participation the focus of our endeavours, supporting the program in a very practical way by her direct leadership

on the dock, at practices, and in competition.

Practical considerations arising from these changes made it necessary for us to begin repairing, re-finishing, even re-building old equipment to bring it up to racing trim. Camilla Schnurr and Colin Bradley led the way by re-building a Laser II and sailing it to a first place in the Maple Bay Regatta. A second Laser II benefited enormously from a simple sanding and fairing, and the application of one of the new epoxy paints. Given the high price of new boats this may be the best way to go.

I very much hope that the new direction we have taken will bear fruit in the next couple of years as those who have been exposed to competition in the junior grades are able to carry a body of experience into regattas: Ben Seaman, Peter Sloan, Paul Kenway, Jason Donnelly, David Huk, Scott Webber, all fit into this category as would Megan Stone, already very experienced, as she moves into Grade 12. The club is thus already in a strong position to do well in '96-'97.

Leaving this year is an extraordinarily talented group: Ronald Pan and Grant Hollingworth, both solid, reliable and experienced; Colin Bradley

whose talents as a Laser II sailor and refurbisher have really emerged strongly this year; Camilla Schnurr, our first qualified ISPA instructor, at home in any kind of boat, in fair weather or foul; and Jo Livingstone, one of the top three sailors this school has ever seen, whose name we soon expect to see "in lights" on the regatta and racing circuits. To these seniors I extend my thanks for making this, my final year as helmsman, such a happy and productive one.

As I weigh anchor to embark on a new voyage I look back on what we have managed to achieve in the last 27 years: not bad, but much remains to be done. New docks, a workshop, covered storage would all enhance the quality of the "on the water" time. A new coach, slim enough not to get wedged between the boom and the hull of a Laser, and able to get the boat to move in less than 20 knots of wind, would also be an asset.

To whoever is my successor, be aware that from time to time the HANNA will be anchored in Mill Bay and the beady eye of this ancient mariner will be fastened on you. You have the best job in the world; please give it all you have and you will be amply rewarded. *RVL*

Out for a day of training in the Saanich Inlet: Camilla, Andrew Leif, Rory and Kevin Smith aboard.

Leif and Andrew move a swamped 'eight' to the dock before Regatta.

Sea Rescue Team 95-96: Camilla Schnurr, Andrew Dryden, Grant Hollingworth, Leif Short-Forrer, Colin Bradley, Magnus MacNab, Rory Wood, James Chang, and Kevin Sabo.

Kevin Sabo at the helm while Andrew, Kevin and James look on.

SEA RESCUE

The students of Brentwood should be proud of the time and effort that this year's Sea Rescue team has put into waterfront safety. Under the careful tutelage of Kevin Smith, a former Brentwood graduate, and Andrew Dryden, this year's student instructor, the students in the program have learned things about Search and Rescue, including search patterns, how to pull people out of the water from the Zodiac and Interagency training.

This year's student team consisted by Andrew, Leif Short-Forrer, Camilla Schnurr, Colin Bradley, Grant Hollingworth, James Chang, Rory Wood, and me, Kevin Sabo. Another student, Magnus McNab, joined us in the beginning of third term.

This year's Sea Rescue class has managed to accomplish much more than in previous year and the rowing coaches have been very happy to have the Row Watch safety net running again this year. This is due to the mature attitude most of the students had towards the class, although we have still managed to have lots of fun together and lots of fun on the boat. With the exception of Andrew, Rory, and me everyone in the class is first year and all have come a long way since last September. Thanks to everybody in the program, and the Coast Guard Auxiliary unit we share the "Hardie" with, this year's safety at the Brentwood Regatta was the best and one of the most successful it has every been.

At this time though it should be noted that everybody should be especially proud of Andrew and Leif, as they are being credited for the saving of nine lives. Just before regatta time, a Ontario Girls' crew was out rowing when a storm blew up. Mr. Queen, worried that the crew had

not returned yet, told Andrew, and after grabbing Leif, Andrew went out and found the crew. While escorting the crew back to Brentwood a wave swamped the shell, putting it just under the water. They pulled the crew in, and once they were safe on the dock, they then returned to the shell and retrieved it.

The Brentwood Regatta went so well in fact, that the Sea Rescue students were asked to do a similar job for the slightly smaller Shawnigan Regatta (Thanks again Andrew and Leif for your excellent work).

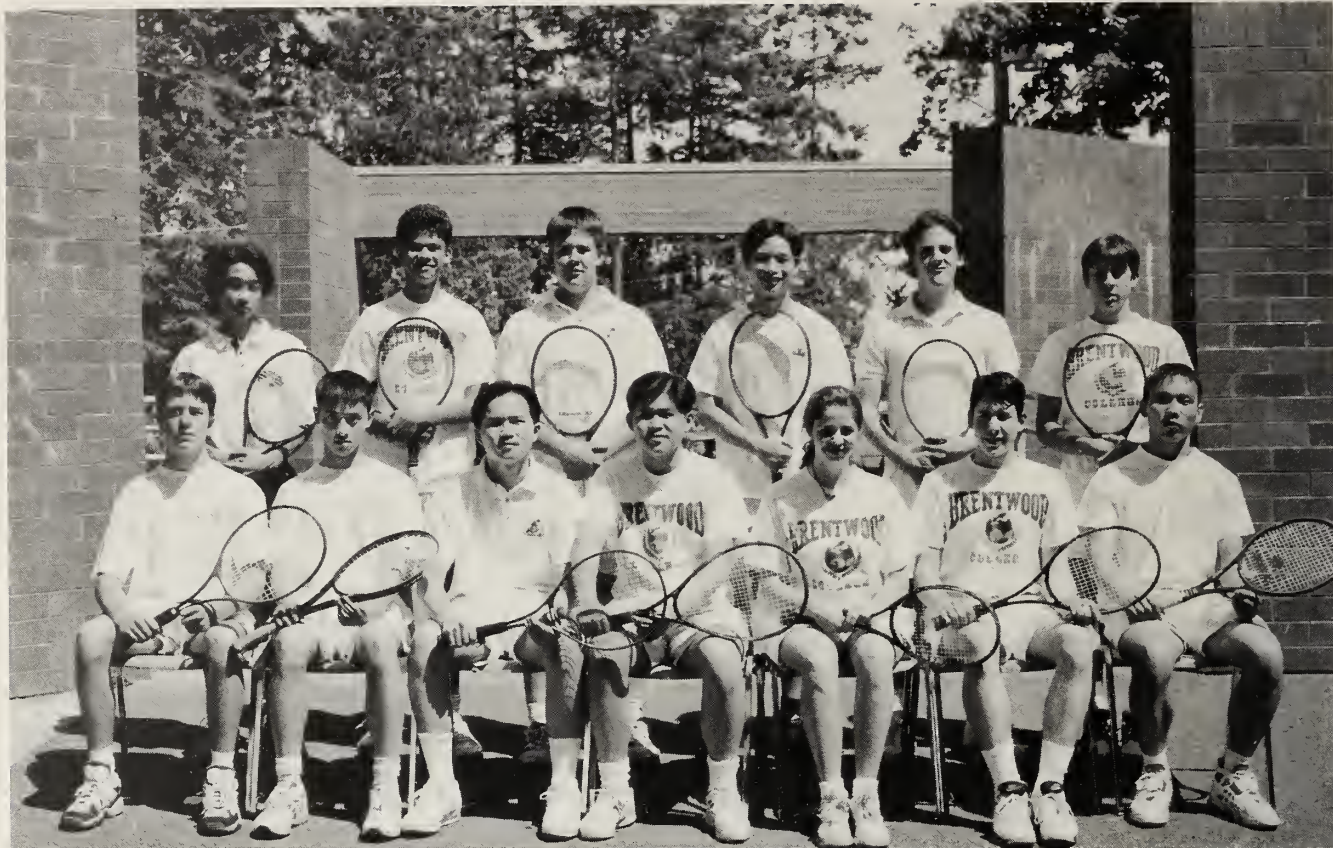

Unfortunately for the Sea Rescue students, we were forced to say good-bye to Kevin Smith early in third term, as he left Brentwood for a job with B.C. Parks. We were quite lucky however to get Mr. and Mrs. Michell to replace Kevin, and they have done a superb job in taking over for Kevin. Mr. Mitchell is an ex-Pararescue officer from the U.S. Air Force, and Mrs. Mitchell is an ex-paramedic and a first-aid instructor, so they were more than qualified to take Kevin's place, and they have received a very warm welcome.

Fortunately, or unfortunately, depending on the point of view, the Mitchells were also the ones who wrote our Sea Rescue final exams. For the second weekend in June, we were taken to Portland Island for a full weekend of scenarios, including some that took place very early in the morning. These scenarios were fun and although very frustrating at times they did allow us to relax in the grind before exams.

Sea Rescue has had a promising year, and next year appears just as promising. I encourage anybody who wants to try the course to apply in September when Fine Arts start up again. I can guarantee that you will enjoy it.

Front: M. Larsen, W. Code, P. Wai, I. Lun, B. Kerr, S. Gosling, E. Gurak.

TENNIS

The 1996 tennis season was another display of excellent tennis filled with the usual ups and downs. Although the junior team level was primarily dominated by beginners, there was a notable improvement over the season. The senior team was very different from previous years as the grade 10's made up the majority with a minority of grade 12's. However the age difference did not mean any lack of performance, skill or determination.

After second term training in the bubble, the spring term got off to a slow start due to the prohibiting rain. A narrow loss to Shawnigan at the beginning of the season set a highly competitive tone for the rest of the season. With the help of Mr. Biondo's doubles tactics and extra prac-

tices, we very quickly unified as a strong team. All the hard work finally paid off as we clobbered Shawnigan the second time around within 20 minutes of starting play.

The 1996 ISA competition made Brentwood history. The junior boys faced tough competition in Vancouver and the senior boys only lost to St. Georges. The senior girls were undefeated the entire day and took the gold home for the first time ever.

We then headed to U.B.C. for the provincials as the number one team on the Island. After a disappointing mix up in rankings, we ended up in a tougher pool, finishing seventh.

Being part of three senior tennis teams at Brentwood, I have to say that the 1996 squad demonstrated the best team spirit. The girls, nicknamed the "CK girls", included Sue Gosling, Alana Silverman, Pearl Tong, Angela Lockwood, Nicky Gosling, Jenny Lun and me. The boys' team, inspiring awe rather than a nickname, included Ivan Lun, Pat Wai, Tyler Wish and Pat Kerr.

Under the patient and diligent coaching of Mr. Biondo and Mr. MacLean we greatly enjoyed our tennis and the fruits of hard work.

Barb Kerr

Boys' Doubles teams after a quick defeat of Shawnigan.

Girls' team makes history with the gold at the I.S.A.s.

Back row, left to right: A. Scheuer, M. Larsen, J. Sells, G. Mullins, A. Stone, A. Beruschi, P. Brown, D. Hawkins, O. Day, N. Roper, Coach Garvey. Front row, left to right: K. Martin, C. Burkmar, M. Walker, G. Spankie, L. Ledesma, J. Ferreira, D. Ordze, E. Mason.

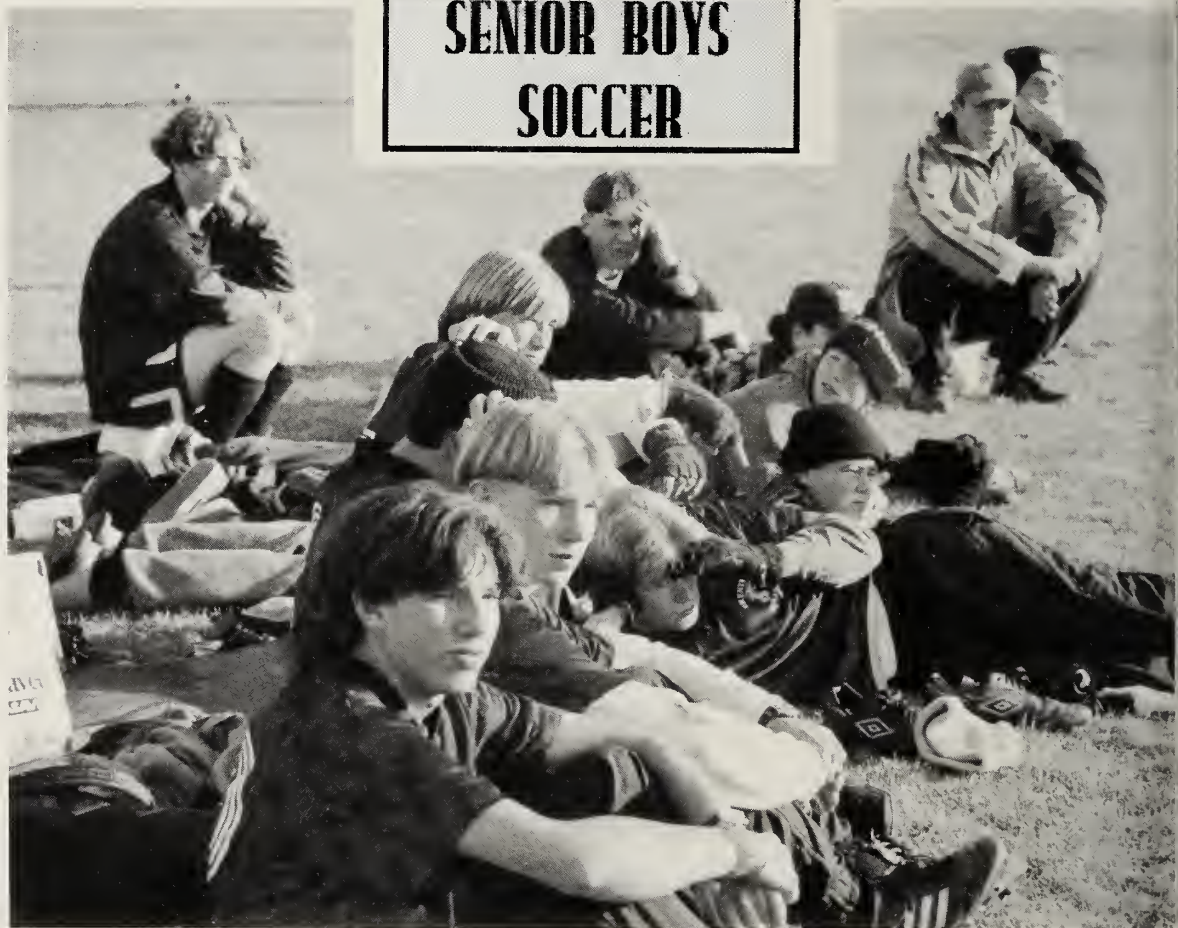

I wonder why they ran to the woods, we're only up 6-0?

"Keepers Ball!" says Ted

Trying to fight the cold at Williams Lake

SENIOR BOYS SOCCER

Best Memories off the Field:

- ◆ Mason dashing back from the bus to retrieve his clothing thrown out the window by Chris, followed minutes later by Chris racing back to retrieve his boots thrown out by Mason, who then had to dash
- ◆ Ted, the teen heartrob, constantly pestered by hordes of girls.
- ◆ Common sights: Neil wearing his pieman's hat; Andrew eating cereal; Gord wearing pyjama bottoms everywhere; Chris late for another practice; Mason wanting someone to go in goal after practice.

SOCCKER - Boys' 1st XI

Playing Highlights:

- ♦ Won our first 4 games by an aggregate of 16-2. An explosive start!
- ♦ Won all the games in our half of the draw at the Ladysmith Tournament; tied Argyle S.S. ("AAA" school) in the final, lost in the penalty shoot-out. Silver medallists.
- ♦ Won the Mid-Island league despite tough competition from Gulf Islands and Kelsey.
- ♦ Scored 17 goals in exhibition wins over S.M.U. and Maxwell Ba'hai.
- ♦ In the North Island Playoffs on Saltspring, we beat Wellington 4-1 in the semifinals, and beat Gulf Islands in the final 2-1, with Adam Scheuer scoring the overtime winner. Jubilation - we qualify for the Provincial "AA" Championships!
- ♦ In November, at the Provincial Tournament at Williams Lake in the Cariboo, we face a chilly temperature of -14° in the first game, and lose. We win the next two games, beating S.M.U. again to claim the Island "AA" Championships. Next, we lost to a very good Tamanawis team, but rebounded to beat Prince George 3-1 in our last game, thus finishing 7th out of 16 - top finish of Island Schools.

Best Memories on the field:

- ♦ Leading Scorers: Mason Walker 15, Gord Spankie 15, Peter Brown 6, Adam Scheuer 5, Kerry Martin 4, Jeremy Sells 4, Jeremy Ferreira 2, Chris Burkmar 2, Adrian Beruschi 2, David Hawkins 1, Lawrence Ledesma 1, Mike Larsen 1.
- ♦ Ted Mason, playing in goal for the first time, compiles one of the most impressive shut-out records in Brentwood's soccer history.
- ♦ The heart of our defence, Andrew Stone and Dax Ordze, dominate most games and "stonewall" the opposition attacks.
- ♦ The resourceful full-backs - Neil Roper, Mike Larsen, Owen Day, Geoff Mullins - always looking for chances to join the attack.
- ♦ In midfield, our depth of talent was apparent in every game: the skill of our wingers, Jeremy Ferreira and Peter Brown, the finishing power of Adam Scheuer, the drive of Chris Burkmar, the hustle of Adrian Beruschi, the deftness of touch of Lawrence Ledesma and David Hawkins, and the brilliant flashes from Kerry Martin and Jeremy Sells.
- ♦ The amazing scoring punch of Mason Walker and Gord Spankie, who proved to be Brentwood's most prolific pair of strikers with a total of 30 goals in just 8 weeks of play.

Won: 10 Lost: 3

Goals for: 56

Goals against: 10

This season, soccer at the under-16 level provided more opportunity for competition than ever before. In addition to Independent Schools games, we enjoyed the benefit of an expanded local public school league as well. The latter competition ran into the third term and required that some athletes learn to juggle two sports responsibilities at once, but very few conflicts appeared as a result.

The group which first met in January contained some players from last year's grade 9 team but many were new, coming from a variety of soccer backgrounds. The team steadily took shape as practices concentrated on improving individual skills and building working relationships in small-sided games. On occasion we were able to play against the senior group, which provided us excellent learning experiences.

Independent Schools competition was limited to SMUS and St. George's. The SMUS program got off to a slow start, allowing us to register 5-0 and 9-0 wins. In contrast, the St. George's team was

more skilled and business-like; we felt satisfied with our 3-1 wins. In March, the local league began and our first opponents were the 1995 league champions from Gulf Islands S.S. In a long, hard and skillfully-played match at Ganges, we showed great determination to win 1-0.

Following the spring break we resumed play, beating Mt. Prevost 7-1 and Cowichan High 6-1. After beating Bonner, we faced Francis Kelsey, the new local high school. They fielded a young and spirited team with lots of skilled players which we were never able fully to subdue. The final 5-2 score flattered our side. Forced to play Shawnigan with a depleted side, though we played hard and created sufficient opportunities, we came out on the short end of a 2-1 game. In any event, we won the league and entered the tournament seeded #1. The event was a joint effort between our school and Kelsey. The weekend found the team badly hit by the viral flu as well as dealing with Shawnigan regatta races. After

another frustrating loss to SLS and a win over Mt. Prevost, we placed second in our pool and had to face Kelsey, the winner of pool B. On the second day "the lads" rallied in heroic fashion, winning 1-0 to earn a spot in the final. Against Gulf Islands, we played very well and only let the game slip away in the final moments. Had we been spared the flu bug I am certain we would have won.

I should like to thank the players for their efforts over the season in which a number of them had to budget their energies over two representative sports. I would like to make special mention of the grade 9s, Chris Cade, James Wood and Armando Busto-Iturbide, who joined us for the latter part of the season and played very well. Chris had to play four games in two days in the tournament with no rest at all and did not make a single major error! It was an outstanding season; I only wish circumstances had allowed it to come to a more fitting end.

—Mr. J. Burrows

U-15 Boys Soccer

Under-15 soccer

D. Keeper, M. Collinson, M. Chow, C. Crooks, K. Garvey, A. Busto-Iturbide, R. Hicks, J. Webster, Mr. Martin (coach), M. Persson, J. Pollard, B. Nichols, J. Wood, G. Wornle, M. Walker, I. Mendenhall

The rewards of our Under-15 programme will be apparent as our younger players move through the school to senior grades. Twenty-seven boys from grades 8 and 9 joined the group in the winter term, enough for two full teams. Having two elevens allowed us to play inter-squad games, giving us the opportunity to create match situations. We also devoted some time to the improvement of individual skills, particularly when the fields were not too wet or covered in snow.

It is unfortunate that our schedule of fixtures was not longer. Too few schools put out soccer teams in the winter term. The revival of a soccer programme at Shawnigan would be very welcome.

Our players showed abundant enthusiasm, eg. Alex, Mark, Matthew, Brian; some speed, eg. Chris, Porter and Armando; an ability to pass accurately, eg. Georg, Jeromy, Kevin. The less experienced, eg. Andrew, Garth, Craig made great strides over the 10-week season. James Wood captained the "A" team and led by the example of his strong tackling and persistent play through to the final whistle.

We proved equal to St. George's in our two encounters and a level above S.M.U. when we beat them 3-0 on a heavy pitch in Victoria in mid-February.

H.J. Martin

Coach Martin, here playing against the Sr. Girls, shows that he doesn't just "talk" a good game.

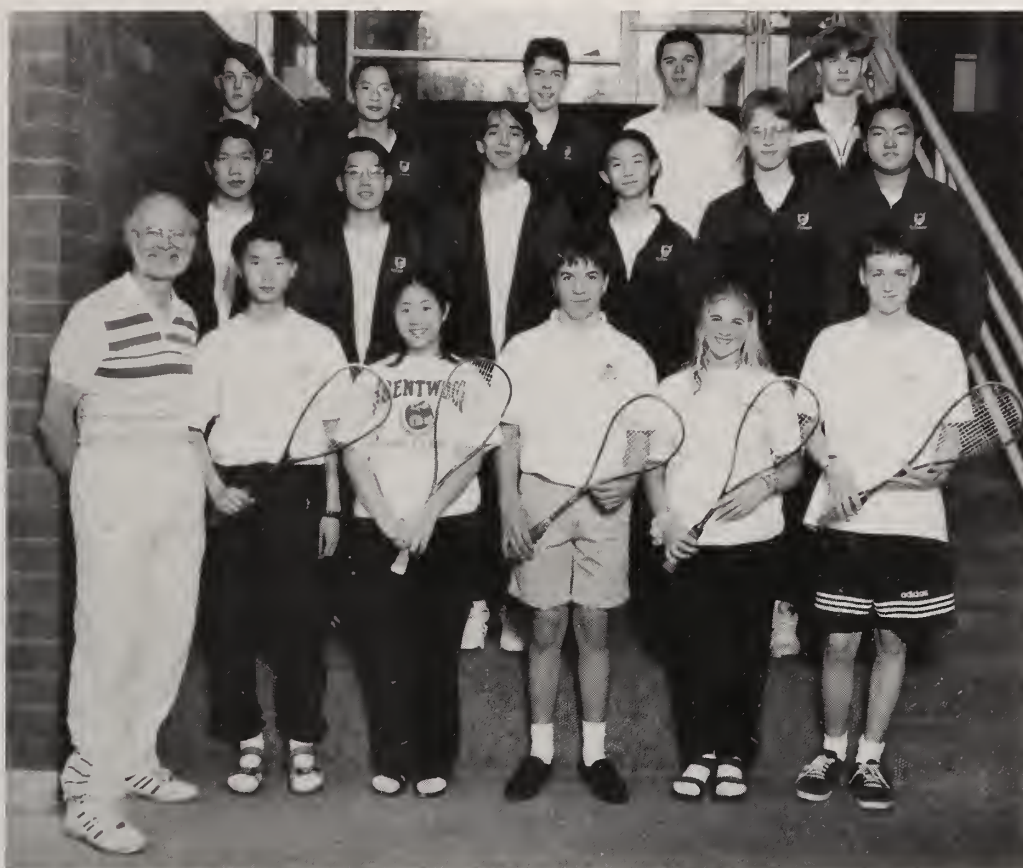

ICE HOCKEY

Photos below are from the fast-paced and hard hitting game against Staff on Old Boys' Week-end (won by the old guys thanks to ex-NHLer Greg Adams).

Back: N. Roper, T. Siepe, B. Rees, J. Benson, Mr. Adams (coach), Mr. Wilton (coach), S. Dunlop, B. Swift, M. Hodgson, N. Kameron, Y. Okada, Mr. Khanna (coach). Front: K. Manji, J. McClellan, G. Schmidt, J. Hennessy, R. Whittington, H. Cupples, C. Ledesma, P. Dacyk, C. Jones, D. Else.

The Squash Club continued its winning tradition in 1995-96. As well as defending the I.S.A. Senior Championship for the fifth straight year, Brentwood placed three of the five players on the Vancouver Island team which won the Silver Medal at the B.C. Winter Games in North Vancouver. This year the team was anchored by two 'A' players: Lawrence Ledesma and Peter Brown. Our thanks go out to Tony Medina, Rahim Jessa and Bob Bollinger for their expert coaching.

THIRD TERM SQUASH: *Back:* F. Yang, Mr. R. Jessa (coach), A. Whitehouse, J. Hsu, C. Jones, M. Verigin, N. Clement, D. Woodward, M. Chow, J. McClean, B. Ko, S. Jien. *Middle:* E. Walle, J. Goeritz, D. Fung, S. Buski, P. Brown, I. Wong, L. Yang,. *Front:* G. Busto-Iturbide, S. Liu, M. Cho.

MOUNTAIN BIKING

This past year saw mountain biking at Brentwood increase in both popularity and calibre. The mountain biking squad consisted of a strong group of younger riders guided by the effective leadership of a number of talented seniors. Dax Ordze and Paul Nevlud provided both inspiration and technical support to the other riders, all of whom worked extremely hard and benefited from the commitment that they made to the sport.

Challenged by a number of difficult rides and races, the mountain bikers made impressive gains in both their fitness levels and in their technical riding abilities, and several students demonstrated a great deal of potential for excelling at the sport.

Cameron Elford

RAMBLING

RAMBLING SECOND TERM: *Back:* M. Keevil, N. Gross, Mr. Knox (coach), K. Moisey, S. Toole, P. Partridge, Mr. O'Brien (coach), R. Kiltz. *Middle:* J. Coleman, R. Knight, R. Truman, J. Meyer, R. Williams, M. Moore, A. Kamell, K. Bruce. *Front:* A. Williams, C. Milne, C. Laurie, C. Skinner, D. Lo, S. Gilroy.

RAMBLING THIRD TERM: *Back:* Mr. O'Brien (coach), J. Norris, L. MacLean, N. Thran, B. Connor, L. Cooper, G. Myrfield, J. Meyer, M. MacNab, D. Else, C. Griffel, R. Kiltz, Mr. Knox (coach). *Middle:* R. Whitney, R. Foster, C. Albach, K. Love, B. Yeager, H. Hoesli, J. Kelly, S. Toole. *Front:* T. Pennells, A. Williams, D. Lo, K. Mills, D. Hall, D. Spankie.

This year was, once again, successful, unique and interesting. Some of the most active ramblers have graduated this year which is sad because they worked hard to generate new trip ideas and help Godfrey and I with the leadership needed to keep the program working well for everyone.

With their graduation there

comes an opportunity for this year's grade tens and elevens to become leaders and instigators (the good type only please) for next year's program.

With all the other activities in the school this year, we managed only two weekend trips. However those two were both extraordinary. In September, Hanna Ezzat organized a

spelunking expedition to the Gordon River area. In two days we explored five caves, often finding ourselves half a mile below the earth's surface squirming through tiny crevices while trying to remember the toll free cave rescue phone number. In May, Ellisha Kamell managed an ocean kayaking trip to DeCourcy Island next Nanaimo. We left the school

at 6pm on a Friday and set off into the sunset at 8pm for a two-hour crossing. At 8:30 it was dark so we tied our ghostly green glowsticks to our heads and continued on through the night. Each paddle stroke and bow wave glittered with bioluminescence. We made DeCourcy by 10:30, set up camp in the dark and went on to have the most enjoyable and relaxing trips I can ever remember. To keep us from relaxing too far Joanna questioned me often about the swirling death holes of Dodds narrows.

Rambling continued to contribute to the community this year by repeating the very successful outdoor program for Mill Bay public school grade seven students. Ten senior Brentwood ramblers taught climbing and kayaking to 33 children from George Bonner. The Brentwood students received valuable work experience and the grade sevens had a great time.

Highway construction near Victoria made travel to our usual rock climbing sites too time consuming this year so Godfrey and I found an undeveloped crag at the Malahat summit. Third term ramblers painstakingly scraped the moss off the routes and hand drilled ten holes four inches deep into solid rock for safety anchors. As a result of their hard labour we now have an excellent wilderness climbing site less than fifteen minutes from the school. Congratulations and thanks for the effort.

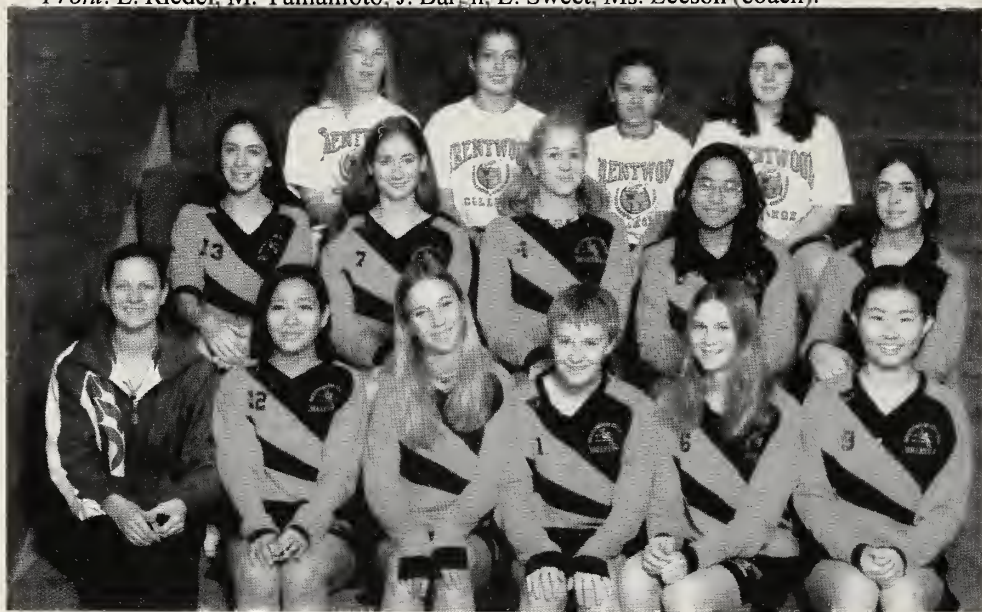

Next year I hope that there will be more trips and some longer ones at mid-term. Speak to Rebecca Whitney if you would like to hike the ocean trails of Kuaii in October, Godfrey would like to climb Mt. Baker next spring and I would like to do more surfing and white water kayaking. Thank you all for a great year.

MORE SPORTS and ACTIVITIES

SR B GIRLS' VOLLEYBALL: *Back:* B. Longstaffe, D. Holmes, M. Klaui, L. Jones. *Front:* L. Riedel, M. Yamamoto, J. Bargh, L. Sweet, Ms. Leeson (coach).

Junior B Girls' Volleyball: *Back:* A. Flemming, N. Melhuish, N. Gross, S. Gilroy. *Middle:* M. Moore, B. Raphael, A. Dobrzensky, J. Lun, M. Keevil. *Front:* Ms. Leeson (coach), P. Tong, S. Harris, C. Skinner, K. Burkmar, L. Tsui.

The Junior Bs had a season full of fun. We had a rough start, as Ms. Leeson was not with us until halfway through the season, but that did not dampen our spirits. As soon as Ms. Leeson came aboard, we began playing games and when we really pulled together as a team we were unstoppable!

We played in a tournament at Chemainus and did our best, but it seemed that

unfamiliar "turf", tiny courts, and even the height of the ceiling threw us off track. We ended up placing fifth. The whole team worked together to keep our spirits high. For us, volleyball season was fun and, while we played aggressively and competitively, we always came out smiling, win or lose. All in all, it was a great season. Ms. Leeson deserves special thanks for her contribution to the team.

Taxiing to the runway.

BRENTWOOD COLLEGE ROWING CLUB

This year the Club expanded to more than 130 members which meant that a lot of extra pressure was put on our resources, coaching and equipment. The extra numbers created a second senior women's eight, a second senior men's lightweight eight, a large junior women's division and a novice men's programme bigger than it has ever been. Our sixteen-man barge was put to good use being filled for four hours each practice day as Mr. Ronan and other barge masters coached and entertained the troops. By mid-term most squads had settled into groups of eight with a few spares and these groups prepared for the long distance "six pack" and some dual meets with the local clubs.

In the middle term we began with ergometer racing both within the Club and in open competition at Shawnigan and the "Monster Erg" at U.Vic. Soon afterwards we switched our focus to the long distance head races

and had to watch in frustration as our own Mill Bay Head was cancelled because of extreme weather conditions after untold hours had gone into its preparation. We did have, however, many successes at the Shawnigan Head and at the Victoria Sprints a week later.

Three crews went down to San Diego for a week's training camp followed by racing in the Crew Classic Regatta. Normal windy conditions prevailed which made many of the training sessions difficult but as the week progressed we found sheltered places to work in. By the time racing came along all three crews were ready. In racing against schools and junior clubs drawing from all schools in a city our crews reached the finals of their division and the Mens' First Eight won to establish themselves as the West Coast Junior Champions.

During the third term the complete club went to race at several regattas: Victoria, Maple

Bay, Brentwood, Delta Deas and Shawnigan. In addition the first eight raced in the Opening Day Regatta and four eights went to St. Catharines to compete for the Canadian Championships. In all these events the Brentwood crews excelled and you will hear more of their successes in the reports to follow.

One special event deserves mention and that is the Brentwood Regatta. It really should not be written about in this rowing club report because it has gone beyond that and is now a school event involving every students and staff member in the Brentwood family. It is an exceptional event, much sought after by crews all over the continent. I am very proud to be associated with this event and I think it reflects all that is good about our school.

A.C. Carr

Chris Burkmar, Captain of the Boathouse

FIRST EIGHT

This year brought together the best talent that I ever had the fortune to coach and their record of successes proves that point. I don't want the reader to think that they made it easy on this old coach; indeed the opposite may be true, but the end result was worth the endless hours of appalling weather, never ending illness and crazy rigging. When I reflect on this season all I can see is the joy and exultation on the faces of these young men on the victory podium. They have not only learned to win a race but more importantly to prevail over their own flaws and weakness and come through adversity to achieve their goal.

In the Fall several of our athletes went to the Panasonic Olympic Rowing Trials in Victoria. David Calder in the single narrowly missed a bronze medal and thus came fourth in the open single event. Kevin White and Michael Rowe made it through the repechage into the C final where they came third. It was obvious we had an abundance of talent achieving above high school performance, beginning to push into the level usually expected of university athletes.

The winter season was devoted to strength and endurance training. The ergometers were many times used and the weight room was occupied regularly. By the end of winter we had seven athletes under the magic performance of 6 minutes 30 seconds. This was the beginning of many firsts for this crew and may be the reason that the other firsts came during the racing season. They had a deep reservoir of energy that gave them a strong second half to every race they were in.

The early racing season saw the eight win the Shawnigan Head and Victoria Spring Regatta before the spring break. During

spring break we travelled to San Diego for one week of training to be followed by competing at the Crew Classic regatta on the weekend. The first eight rowing in the Junior Eight division had to compete against City clubs from Florida, Sacramento, Seattle and San Francisco. They won their heat with the fastest time and prevailed again in the finals to win their event by open water.

The racing season was exciting to compete in but may be repetitive to the reader. The crew simply dominated the high school races everywhere in the Northwest. They won the coxed four, quad scull, pair, double scull and single in addition to winning the eight-oared event in every regatta. This was the way it went at Victoria City Sprints, Maple Bay Regatta, Brentwood, Opening Day, Shawnigan and the B.C. Championships.

Not planned in the early going was a trip to St. Catharines although this coach had done groundwork to arrange boat loans from Brock University. When a sponsor was found for the air fares for the crew and *R.C. Powerstrap* sponsored the coach we had everything in place to try for a threepeat at the Canadian Championships. At these championships we won, racing the double scull, coxed four and eight. Winning both the four and the eight three times running has never been done before.

As we pack our bags today to travel to England and the Henley Royal Regatta we are full of hope for good races there. I can safely say, no matter what happens at Henley, that this was the best Brentwood eight ever! There were many good ones before and I hope good ones to follow but these young men were number one and it will take an incredible collection of athletes to attend Brentwood before we can match this group. *A.C. Carr*

Brentwood

From Cowichan Newsleader July 10, 1996

Brentwood College heavyweight eights, seen here in action, won the 1996 Royal Regatta with a remarkable showing at prestigious Royal Regatta.

A proud coach Carr takes a deserved break on the water.

Heavies surf in San Diego.

"work to do" - at Brentwood Regatta

College the toast of Henley

Rowers Princess Elizabeth Cup winners

The incredible winning streak of the Brentwood College heavyweight eights rowing crew has survived perhaps its toughest test.

Brentwood capped a brilliant season by winning the Princess Elizabeth Cup for schoolboy crews at the Royal Henley Regatta in England Sunday.

After winning its previous four races, Brentwood beat St. Edward's School of the United Kingdom rather easily by about four lengths. Brentwood's time of six minutes and 25 seconds for a 2200 metre course was only bettered during the week by two senior crews - the English nationals and a top university entry.

Brentwood began its trek to the Cup last Wednesday with a

four-length victory over Kings School. Brentwood disposed of Monmouth School by four lengths Thursday, beat top-seeded Hampton Friday by 3 1/2 lengths, and bested Colford Saturday by four lengths.

The impressive triumph over St. Edwards was the finishing touch.

Brentwood, coached by Tony Carr, has been in the final at Royal Henley before, but this was the first final victory in the world's premier rowing regatta.

Top U.S. crews were the first to be left in Brentwood's spray during the San Diego Crew Classic in April. The crew swept all its other major races after that, including: the opening day regatta at Seattle against top West Coast crews, the Brentwood Regatta, the B.C. youth championships at

Shawnigan and the Canadian high school regatta at St. Catharines, Ont.

The Canadian finals included wins in the fours and eights for the third successive year. The prestigious Calder Cleland Trophy is the prize for the eights' race.

The top Brentwood crew includes: Chris Burkmar and James Weldon of Mill Bay; Tom Herschmiller from Comox; Michael Grace of Vancouver; Victorians Kevin White, David Calder, Michael Rowe and Ryan Steingard; and coxswain Andrew Yeung from Hong Kong.

White and Calder are staying in Europe with coach Carr to prepare for the world junior championships in August. They're representing Canada in the pairs event.

Complete an undefeated season at regatta. Photo contributed

Blake Asselstine (vice-capt.)
Christian Milne (cox)

We started the year knowing that the potential was there for a vintage season. Then came one broken leg, then another, then another. Frustrations dogged us during those early months; if it was not injury or sickness, it was unrowable water but, somehow, we came through it. Erg scores indicated remarkable consistency throughout the crew and technical skills started to improve as winter descended upon us. The water conditions were unusually bad throughout the second term and Brentwood Head of Mill Bay was cancelled in February. At the Shawnigan Head of the Lake, we rowed well finishing marginally ahead of Shawnigan's heavy eight and beaten only by our own heavy eight in the schools division. In Victoria we finished at the top of the Lightweight division in an interesting double elimination regatta rowed Henley style. Practice time was difficult to find, though, as storm after storm went through. We went to San Diego ill-prepared and under-rehearsed and, inevitably, performed under par. Placing 4th in the Highschool Second Eights would have been very acceptable in most years but we had the potential to win the event this year.

Returning from San Diego, we went straight into our season proper. At Maple Bay, we won easily in both Lightweight and J.V. categories and then, Brentwood Regatta arrived and

the pressure was on us to produce on our own water and in a far more competitive field. This we did winning well the 500m sprint and the Lightweight eights in style, in spite of some sickness in the crew. In the J.V. Eights we finished a very tight second to Green Lake. At Delta Deas, racing in several categories, we were not really challenged. Shawnigan Regatta and the B.C. Championships followed where we won the Lightweight Eights and the J.V. Eights easily but came narrowly second in the Lightweight Fours to a very competent Shawnigan crew. We also entered the Heavy Eights event, and this proved a real race. Our own heavyweight eight were well out in front but a Battle Royal ensued for second place between ourselves and the Shawnigan heavyweight eight. Shawnigan beat us narrowly but it was a good tester for us.

A most generous donation enabled us to travel to the Canadian Championships in St. Catharines after mid-term. As it transpired, the whole thing became something of a nightmare. We were drawn in a heat which contained all the "big guns", which should not have worried us unduly but, somehow, the occasion got on top and the crew, watching the opposition practising near the start line prior to the race, somehow convinced itself that they looked a lot more com-

petent than us. It was a bad error to be watching them in the first place; and to allow the panic button to be activated. We rowed very badly in the heat and paid the price. We did not qualify. Watching the Final on the following day, the crew realised how beatable the other crews really were and what they had allowed themselves to miss - some valuable lessons learned, but disappointment and defeat were handled with class.

Now we are continuing our practice schedule as we prepare for the England tour. We shall be competing at regattas in

Ironbridge and Burton-on-Trent as well as at Henley Royal Regatta. Perhaps this will finally bring out the quality and performance which eluded us in both San Diego and St. Catharines. Coaching this crew has been a delight. A talented and very intelligent group such as this comes along rarely, and it has been gratifying to note that comments and criticisms were actually understood and reacted to. The boys have been motivated, responsive and cohesive, and I count myself fortunate indeed to have had the privilege of coaching them. JLO

Senior Boys 64 kg Crew (The Tackweights)

Mr. Queen (coach), I. Bishop, C. Danard, R. Hobson, M. Larsen, M. Santoro, T. Yewchuk, M. Rusconi, N. Kameron, G. Seed, J. Suh. Cox: R. Hicks.

local regattas, the crew had to race in the highly competitive 70kg division and this proved quite the testing ground for them. They got their tails well and truly thumped but came up fighting and, slowly, as they got fitter and technically better, they found themselves able to "mix it with the big guys" and stay in the race. By the beginning of May, the eight was starting to row well and to enjoy the feeling. They got a fair amount of race experience during the first part of the third term and then it was time to go to the Canadian Championships in St. Catharines. A bad draw in the heats pitted them against the best crews in the category, but they managed to qualify. Throughout the pre-race practices and during the race itself, they stayed together, kept calm and rowed extremely well (ably assisted by Marco singing Neopolitan love songs on the way up to the start). In the Final, they had a real fight on their hands but managed to finish with a bronze medal performance. For a largely novice crew, they deserve great credit for their tenacity, and for the quality which they have managed to achieve over the year, due in no small part to the experience and single-mindedness of their captain, Ian Bishop, who has been an inspirational and uncompromising leader. They have richly earned my respect for their whole approach to the year and for their achievements. *JLQ*

This group started off the year as the "leftovers" after the main lightweight crew had been tentatively selected, but very quickly formed its own identity. Most were novice, and the first few months of the year were quite a struggle! In an attempt to keep this crew in the same body of water as the "A" boat during practice, I would split the two crews and have four of each in each boat. This did not work for long, however, as it held up progress for the experienced oarsmen. Somehow we coped. Russell, our novice Gr 8 coxswain, slowly started to learn his trade as the year progressed although he provided some hazard to local craft in the area for a while. By the end of the second term the crew was showing some semblance of discipline and cohesion, and performed creditably in the head races. With no 64kg class in the

Bronze Medal Crew

Nick Kameron, Bow; Marco Rusconi, 2; Tim Yewchuk 3; Mike Santoro, 4; Mike Larsen, 5; Ryan Hobson, 6; Chad Danard, 7; Tam Boyar, Stroke; Christian Milne, Cox.

It's June 26th and we are on the way to England. I want this article to be something we all can read many years from now to recall the experiences.

Varsity girls rowing this year has been "smashing". Just like any crew we have had our ups and our downs. Unlike some other years we have had a crew with a lot of power, enabling us to be competitive with Vic City. Vic. City usually edged us, but as portrayed in our last local race at Shawnigan we could put up a tremendous fight.

This year we had more opportunities than most. During spring break we travelled to San Diego for a week-long training camp and the Crew Classic on the weekend. There is no doubt that our blistered hands screamed and aching bodies cried, but on top of early mornings and numerous training sessions a day everyone had a good time with the crews, and on the Pacific beach. Heck, even early morn-

ings were better because of the heat. Even though we never got to Payless, walked around the zoo for eight hours, got lost with Mrs. Kelly everywhere we went, remember "we've got huevos!"

Thank you to a completely unique crew and for a great bunch of memories like our rainbow colored early mornings, and orange party hats for Nadine's birthday on the water...

The best is yet to come, England tour 1996! Watch out U.K., here we come! Thanks to Ms. Walker for putting up with us for three weeks and for helping us train, (don't worry, we'll find you an Englishman). Thank you to Mrs. Kelly for all your work all year and for California. Good luck to all the grads. To Megan and Jen we'll miss you tremendously next year. Paterson, a word of advice: don't kill yourself! Watch out for steps, blades and docks. Thanks for a superb year guys. I'll miss you a lot.

Sarah Nichols

VARSITY GIRLS ROWING

Rowing grads with Miss Walker at the Ball.

Poetry in motion was never so much work.

Above: mid-race at Brentwood Regatta.

Right: the girls, Alison, Jamie, Sarah and Jaime have fun in a quad.

Varsity Eight: a day at the San Diego zoo.

JUNIOR A GIRLS

Looking back on this season we can all safely say that it has been an accomplishment. Who knew that among our crew we had the unique talent of the bow pair, a very apologetic but well-trained coxwain, and as for Jodie and Harriet M., well, what can we say? As for the other four, we were busy pulling up our socks, kissing the watch, passing the squeeze, and chasing our top ten men. Our talents put together created a team that came close to an undefeated season, winning the BC Championships, and placing 5th overall at the Canadian High School Championships.

We wouldn't have been able to do anything without Miss Carlos. We all wonder how she survived the year with all our whining and "bad music". But then again we can't forget about all those stairs, ergs, runs, and hill sprints. We will always wonder what she does on her Saturday nights. She doesn't know how much she will be missed next year.

The year is over and half of us are off to row varsity; who knows what the future will bring? For now we leave you with a question: "What do you call a man with no arms and no legs...?"

Louise Pickles

Tired but happy after the St. Catharines trip.

The girls (and Dennis) are all smiles at the Murphy's barbecue.

Jubilant gold medalists at Brentwood Regatta.

The junior varsity crew after another win (at Maple Bay Regatta). Only Dennis may need the help of ambulance attendants. The thrill of victory at the Brentwood Regatta.

JUNIOR GIRLS ROWING

JUNIOR A GIRLS: *Back:* H. Mills, L. Kingsbury, S. Swift, J. Norris, K. Mills, L. Pickles, C. Livingstone, M. Boyar, Miss Carlos (coach). *Front:* R. Kinhead (cox)

JUNIOR B GIRLS: *Back:* A. Baxter, T. Holmes, L. Brown, B. Raphael, V. Voracek, H. Hoesli, Miss Walker (coach). *Front:* A. Lockwood (cox).

JUNIOR B GIRLS

"Keep the boat set!!" the coxswain yells from the stern. The junior girls eight had their minds set on the boat and listening for important commands sent out by a water resistant wire extending through the boat. The

Junior B girls consisted of a variety of ages, young and talented girls ranging from grade 8 to grade 11. I watched from the coxswain's cramped space, as each competitor competed for an important seat in the 4:18 and

excelled to get there. We would all like to thank Miss Walker in helping us through rowing and putting up with us. To all those returning to rowing have fun and enjoy it. *Angela Lockwood, Coxswain, 1996*

Triumph at Maple Bay.

THE 'SEALS' - GRADE 8 ROWING

At the beginning of the year, Mr. Carr devised the idea of splitting the Grade 8 boys and girls into their own programme. In this, its first year, certain things would have to be done if it was going to work. We would need a very Australian rowing coach (I happened to be the only one to fill this position), a group name: 'the Brentwood Seals' seemed to work, a group of strong Grade 8 boys (and, yes, Donald that did mean you), and a group of enthusiastic Grade 8 girls, which we received in abundance. In the warm days in September this group enjoyed the sunshine while trying to come to terms with the rowing stroke. With the cold weather the group had their first experience of rowing back to the docks with light snow falling, and exercises such as group sit ups, team squats and other forms of exercises from the Beniac conditioning bag. This training paid initial dividends with a strong performance at the Mid-Island Erg, the junior girls winning their division and Craig Crooks placing. At the Monster Erg Hugh Cupples and Charlotte Manning both placed second in their Junior C categories.

Due to university commitments I handed the Seals to Stephen Stamp and Sue Walker for the third term during which the Seals impressed the entire Brentwood coaching staff with their results and enthusiasm, particularly at the Brentwood and Shawnigan Lake Regattas.

Throughout the year the Seals were involved in dual meets with Shawnigan Lake School. The group developed in a healthy competitive environment, which allowed the rowers to build friendships with Shawnigan students. I would like to thank the coaches and Grade 8s at Shawnigan Lake School for their hospitality when we visited.

On behalf of Sue Walker

Back: G. Tailleu, S. Amezcua, A. Flemming, A. Mackenzie, C. Griffel, C. Crooks, J. Pollard, C. Manning, H. Cupples. *Front:* D. Yeung, K. Burkmar (coxswains).

and Stephen Stamp, I would like to thank the boys and girls that made up the Seals this year. You were all enjoyable to coach.

We would like all of you to continue with the sport and build on what you have achieved this year.
R.D. Beniac

Craig, Hugh, Garth and Conrad strain to make the four go. Technique is developing but enthusiasm abounds!

COLT A ROWING

COLT A BOYS: *Back:* C. Robinson, A. Busto-Iturbide, L. Cooper, C. Brodie, M. Sanderson, O. Madrick, G. Schmidt, K. Moisey, Mr. Purdon (coach) with "Rags". *Front:* M. Verigin (coxswain).

It was a productive season in the way that a fisherman who goes after the trophy Chinook but returns with several shiny Coho is satisfied for having spent a good day on the water. During the racing season the boys were consistently outgunned by a very fast Colt Eight from Vancouver College but were competitive with Shawnigan Lake School's Colt Eight. At Brentwood Regatta the lads rowed a fine race and finished in second place, ahead of Shawnigan and five seconds behind Vancouver College. By far, their most satisfying race was in the four at the B.C. Championships with Kyley in stroke, Gavin in three, Owen in two and Liam in bow. They finished second again ahead of Vancouver College and behind Shawnigan and were pleased with their race, especially the middle thousand. To Jerry and the crew, you showed heart and I enjoyed working with you all.

Frank C. Purdon

The lads take a breather after a hard row. Included at bow seat but missing from team photo above is Paul Kenway.

Senior Novice

Novices need all the time on the water they can get, so the harsh weather for much of the first half of the spring season was particularly tough on the senior novice crew. It took the boys a while to get used to my coaching and to rowing with each other, but by the Brentwood regatta they were pulling together well enough to win the 500-metre sprint race. A couple of the guys had the opportunity to row with Mr. Queen's lightweights and win a medal in the full-length novice eight race. And at our season-ending regatta, at Shawnigan Lake, the boys pulled out their best race of the season to win the provincial high school championships novice eight silver medal.

But the season was not so much about winning medals as it was about learning the skills involved in rowing, and discovering how satisfying and demanding the sport can be. Many of the boys made great strides during the season, and I expect a number of them to return next year and challenge for seats in the experienced crews. And to the boys who are graduating--Ira Gordon-Collins, Matt MacLean, Mike Hsu, and Darcy Townsend--thanks for being part of the big-ots, and the best of luck next year at your various destinations. I hope we see you at some regattas.

SR. NOVICE ROWING: Back: J. Amiel, J. Sells, D. Scott, T. Siepe, A. Beruschi, O. Day, C. Chung, Mr. Stamp (coach). I. Gordon-Collins, B. Meier, P. Woodward, M. MacLean, M. Hsu, J. Park, D. Townsend.

Colt B boys rowing

What exactly is a Colt B? That was the question I faced when I started coaching a group of boys who looked more like a collection of coxswains than rowers. I soon discovered that Colt B's are in the sport to learn, to have fun, and to be a part of the tradition that is rowing at Brentwood. They are not, however, in it to be "hardcore"--a term they reserve for the varsity athletes. I learned this lesson one day as I was trying to kindle the fires of competition under the lads, to drive them to work toward the elusive speed which is the target of every serious crew. One of the Colts came up to me after practice and said, "Sir, you have to understand, we're just Colt B's."

Eventually, I understood what he meant. These boys weren't coming out on fine arts afternoons to be turned into racing machines, they were here to get a feel for the sport and master some skills. So we focused on precisely that--developing the skills needed for rowing at higher levels and improving fitness. We ventured into sculling and found that a number of the boys were more comfortable in that discipline. They made good progress over the year. And their competitive fires were not dimmed by focusing on the means rather than the ends. The Colt B's raced hard, often against bigger, older competition. Peter Sloan and Jay Meyer led the way competitively with a bronze medal in the junior novice boys double at the Brentwood Regatta. And the work ethic displayed by Brian Nichols and Derek Keeper provides an excellent example for everyone in the rowing club.

I expect to see several of the Colt B's back at the boat-house next year, raring to take the next step in rowing. I just hope that they have learned as much this year as they have taught me.
